Nursery

Happy Mother's Day to all the wonderful mothers.

In May we have many advancements.

David has learned to army crawl and he's eating big boy food. Henry is sitting up with some support and getting better at it, yay! Juliet is crawling, hurray!

Let's give a round of applause to Adinah who is standing up alone and trying to take little steps. She's eating big girl food and she's also moving up to the 1s this month.

Our babies are full of energy, joy and love.

We are glad to share these moments with them.

Please remember to label your caps and bottles and to always have an extra change of clothes.

We are here for you if you have any questions.

Ms. Fabiola and Ms. Kerry

We are looking forward to a fun filled "May" with creative art projects, and learning new words together.

Pass the Plate

"Pass the Plate" is a tradition in which each student brings in a dish from their culture and shares with their friends as we get to learn about cultures from all walks of life. We would love for each of you to bring in something special that tells us a little about you and the traditions your family holds.

Outdoor adventures and indoor educational (and fun) activities. We would like to give a very warm D2 welcome to our friends Sarah, Jayce, and Mason.

Please keep in mind that the weather is changing and your babies are growing, so their spare clothing may need to be changed out every so often.

Thank you so much!

VPK A

It's May and with that comes the end of our VPK school year, I can't believe our graduation is at the end of the month!

We are focusing on number recognition, letter and sight word review as well as traveling around the world. Our monthly theme is "Passport to Travel" so we will discuss far off places and different cultures, what they eat, wear and their various kinds of houses and transportation.

We will celebrate Mother's Day with a tea party on May 11th at 11:00am, we hope all mother's grandmothers, or any female role model will be able to attend.

The last day of VPK is May 30th, and we will have an end of the year party to celebrate all we have accomplished, the date will be posted on our blackboard.

The butterflies were so much fun to watch as they started out being small eggs and progress to beautiful butterflies! Our garden is coming along well also, we have some small plants, hoping to become flowers soon!

Thank you for sharing your child with us!
