KONA ICE TRUCK

Kona Ice Truck will continue to be here every Friday this summer through August 3. Prepaid cards are \$12 and can still be purchased in the office. This covers six (6) Kona ices.

We will not be taking money on a Friday to Friday basis. A card must be purchased to participate.

ENROLLMENT UPDATE

Please be sure to notify the administrative office if you are not planning to be with us for the next school year. **Remember, a two weeks notice is required for withdrawal.** Please also advise as to whether or not your child will be part of our Before/After School Age program.

*****Classroom News*****

1B

Happy July!!

This month we will be focusing on Space. We will discuss planets, rockets, stars, and astronauts.

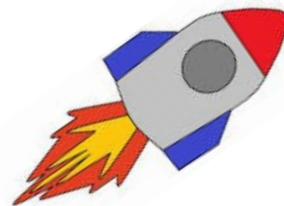

We will continue to review the basics– letters, numbers, colors, and shapes every day. As always, watch our class board for crafts and special projects.

Ms. Kristen

1A/2A

3-2-1...we will blast off into the month of July when we learn all about space, including the planets and stars. Watch for our fun projects this month. One will be rockets made out of shapes. This should be an exciting month because we will also be celebrating the 4th of July!!

Ms. Amber
Ms. Tammy

2B

Get ready to blast off into another fun-filled week!

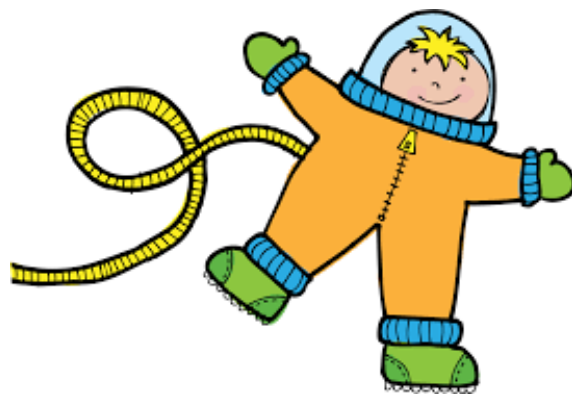

This month we will learn about all the many things to do with space. We will talk about the moon, the stars, and the planets. Our shapes for the month are even space related– crescent and star. Watch for all our fun crafts!!

Ms. Nichole

3A

Summer is here and we are ready to blast off!!! This month we will be learning about planets, rockets, stars, and astronauts. We will continue reviewing our letters and numbers. We have also been working on printing our names. Please encourage your child to practice at home if you have the time. Just a reminder that our water days are every other Thursday...7/5,7/19, and 8/2.

Happy Summer,
Ms. Shannon

3C

Hello Families!
Happy 4th of July to everyone!!

3-2-1 Blast Off is the theme of the month, and we will be learning about Space. The children will explore the sun, moon, stars, and planets. They will pretend to be astronauts, create constellations, and investigate rocks and planets. Look to the sky at night with your child and help them count 100 stars!!

Ms. Ary

4B

July is here!! We will begin the month with some fun 4th of July crafts during the first week. The theme for the remainder of the month is Space. We will learn about planets, rockets, stars, and astronauts.

We will also continue reviewing our Kindergarten readiness skills. Our water days are every other Friday...7/6,7/20, and 8/3.

Ms. Heather and Ms. Maria
