We're so excited to start the year out with getting acquainted, learning the routines and classroom rules, then on the 13th we will start our Curriculum. The letter is Aa, the theme is Making new friends and Apples. We will count our friends and introduce graphing, add and subtract apple seeds for math and paint apple prints. Please be sure to check your child's folder daily as well as keeping an eye on the board for news and events going on in the classroom. We'd also like to remind everyone to bring in a family photo for our picture wall. Each week we will send home a "Weekly News Sheet" to keep everyone up to date on the happenings in the classroom.

Also a few reminders for the year, we ask that no outside toys be brought into the classroom as it causes a distraction during learning time.

Please be sure to check your child's folder daily. Each child will need a 2 inch thick sleep mat, as well as a sheet and blanket. They will be sent home every Friday to be washed and returned on Monday.

Please label all belongings.

We look forward to an awesome month and as always, thank you for sharing your child with us!

## VPK B

We have many fun things planned for this school year, that we know you all will love. We are so lucky to have the opportunity to teach and watch your little ones grow. We will be providing yummy snacks to enjoy everyday with their friends. I also will be sending homework packets home each week to be done at home and brought back every Friday.

I will have more instructions about that stapled to the first weeks homework packet. When you walk into the classroom everyday there will be a parent board on the front door where I will always be updating you on things going on during the week. Your child will also have their own cubby and folders, where we will be putting work they do throughout the day. Every morning when your little one walks in, he/she will be writing their name in at the writing table.

I am here for you if you have any questions at all don't hesitate to ask! I just know this is going to be a great school year. We are so excited to work with you wonderful parents, to help your little ones learn, grow and be ready for kindergarten!

Love your VPK B Teachers:  
Ms. Natalie
