I would like to take this opportunity to welcome back all those families that took a “summer break”.

During the month of September, our theme is Community Workers. We will be learning about all different kinds of jobs, from doctors to fire fighters to teachers. We will have some fun crafts and will also be learning the letters, numbers, colors, and shapes for the month.

Please remember to bring in a change of clothes to keep in your child’s cubbie.

We are adjusting well to our daily routine. This month our theme is Community Helpers. We will continue learning the alphabet, and every Friday we will have Show-n-Tell to represent our letter of the week:

| Sept 14 | F,f |
| Sept 21 | G,g |

Help your child choose a toy from home beginning with the letter of the week to share with friends at circle time. Our first VPK Assessments will also begin this month.

What a wonderful beginning of the school year we have had! The children are adjusting to new routines and are also very excited about making new friends and learning new things.

During the month of September we invite all of our families to visit and talk to the class about the kind of job they do in the community. We will talk about construction workers, fire fighters, police officers, doctors, nurses, and more!

Looking forward to a fun month,
Ms. Ary
