## Administrators News...

HAPPY NEW YEAR!!! I still can't believe that 2019 is here!! 2018 was a fun-filled, eventful year. Time flies when you are having fun! We thoroughly enjoyed the memories that we have made with your amazing children, the holidays were wonderful and full of togetherness and love. We hope that you had as much fun and joy as we did.

As we come to the second half of the school year the pace is going to pick up as we prepare our VPK students for their transition into Kindergarten students. Our younger students will continue with their academic and social growth. The teachers are doing a fantastic job guiding your children in their learning. A great way to assist them at home is to reinforce what they have learned during the day at school. Reading with your child is a great way to promote early literacy. We have posted both our monthly curriculum and activities your child is working on daily in the classroom. Please look at the lesson plans posted and ask your student questions and reinforce the learning while you are at home, in the car, or out-and-about. It truly makes a world of difference!

I would like to take the time to thank all our parents for their kind words and appreciation throughout the holidays. It truly is a blessing to be a part of your children's lives each day. I would also like to thank all the parents that assist and participate in classroom activities and donate for classroom events and projects. We appreciate you going above and beyond to help. On that note, I would like to inform our parents of our PARENT APPRECIATION DAY. It will be held on Friday, January 11th. There will be an assortment of breakfast items, coffees, and juices at the front desk to show our appreciation for having such wonderful parents!!!

I would like to encourage all our parents to communicate regularly with your child's teachers. If you have questions, comments, suggestions, or concerns, please feel free to talk directly to your child's teachers, myself, or Ms. Ashley. We also have a suggestion/comment box located in our cafeteria. We are here to help you and your child through these precious years of their life, your input is always welcome and necessary. While perfection is impossible in this world we live in, we want the very best for your children. We strive to be the quality child care facility that you were searching for when you chose Wellington Academy. The teachers, as well as myself take pride in our work and in the relationships we form with not only the students, but with the families as well. Thank you for choosing Wellington and for believing in us!

Let's make this an amazing year!!!

Love Always, Ms. Tammy

## January 2019

### Developmental One

2018 is over, which means a new year and new goals. We had an amazing year and we want to thank you all for sharing your beautiful children with us. Friday, January 11th is our Parent Appreciation day, so please come early and join us for some coffee, juice & pastries. We want to remind you to double check that your child has at least two full sets of clothes in your child's cubby, as accidents do happen. The weather is always changing, it would be a good idea to keep a jacket or sweater in your child's cubby, and as always make sure it is labeled. If you are not on Life Cubby, please let us know so we can add you, and keep you updated throughout your child's day. Wellington Academy will be closed Monday, January 21st for a teacher in-service day. We hope this year is full of blessings for you and your family!
