Dr. Seuss/St. Patrick's Day **Shapes: Oval, Clover**

MARCH

2 Happy Birthday Dr. Seuss!!
 10 Daylight Savings Time
 17 St. Patrick's Day
 15-22 No VPK-Spring Break

MARK YOUR CALENDAR

Next month, April 16th and 17th, will be our Spring Picture days. We will be taking photos of all the children as well as VPK graduation and class pictures. VPK children will be wearing a cap and gown for the graduation picture. Keep in mind that the gowns lay better if a shirt or dress without a collar is worn. The young ladies should also avoid high ponytails that prevent the cap from sitting properly. Watch for more posted information regarding what age groups will be which days.

In the next 3 to 4 weeks, we will begin construction to remove two walls and increase capacity in 2 of our classrooms. The work will take place on a Friday afternoon and over a weekend to minimize disruption in the classrooms.

FAMILIES OF CHILDREN IN 3B AND 3C

If your child will be four (4) on or before September 1, 2019, you qualify for the Voluntary Prekindergarten Program. Simply obtain your VPK certificate from the Early Learning Coalition of Lake County for 3 free VPK hours per day from August 2019 to May 2020.

REGISTER ONLINE AT

www.elclc.org

Be prepared to upload birth certificate and proof of residency. Visit the office if you have questions.

Classroom News

1A

Our theme for this month is Spring. We will be talking about nature and what we see during the spring. We will have lots of fun making birds, bees, and flowers for our art activities.

Ms. Erin

1B

Spring has sprung!!

Hello to all. As Spring begins, our theme will focus on flowers, bugs, butterflies, bees, and animals of Spring. Our colors for this month are pink, yellow, and green. Watch for some colorful Spring crafts!!

Ms. Michelle

1C

Spring is upon us! With that in mind, we will be learning about everything Spring...from flowers and bugs to Spring animals and all that blooms!

Along with that, we will continue to learn our letters, numbers, colors, and shapes.

Ms. Amber

2A

Hello families! I would like to thank you for your support for our Valentine party...from sharing special snacks to bringing gifts for the children.

We have more great activities planned for the rest of the year related to our curriculum themes. Lots of fun learning opportunities! In March we will welcome the spring season and will be talking about flowers, spring animals, insects and nature.

Ms. Tammy

2B

Spring is coming, and the perfect way to learn about butterflies, bees, and flowers is going on nature walks. We will walk around the school grounds to see and smell flowers. We will check the garden for butterflies and bugs, and take a closer look with magnifying glasses. We are ready for some fun Spring art activities making flowers and butterflies.

Ms. Sheena

2C

This month we will explore the world of bugs, their habitats, and their benefits in nature (like pollination and yummy honey). We will discuss spring animals and animals that come out of hibernation.

There will be many fun learning opportunities, science activities, and art projects.

Ms. Jeanine

3B

It's March and Spring is in the air!!! It is time to learn about flowers, bees, butterflies, Spring animals, and the changes in nature. We will continue to review our letters, numbers, colors, and shapes

Ms. Shannon

4A

As we get ready to "Spring " forward, we will also be moving forward in the classroom with all our kindergarten readiness skills. We will be looking at the farmers' almanac to plant some flowers, fruit, and vegetables in the playground planter. We will use our math and science skills to chart the progression of our plants.

Ms. Ashley

4B

Spring is almost here!! This month we will be celebrating Dr. Seuss' birthday, St. Patrick's Day, and all things Spring. We will learn about flowers, bugs and insects, and Spring animals. More words will be added to our growing list of sight words.

Ms. Heather

3A

Get ready because...Spring is here!! For the month of March, we are jumping into the world of flowers, butterflies, bees, and spring animals.

Spring is all about vibrant colors, including pink, yellow, and green. Look forward to art projects that reflect those colors. We will focus on letters X,Y,Z along with shapes oval and clover.

Ms. Brianna

3C

Are you ready to join me and March into Spring? As we go into the month of March, we will begin to explore things that happen in the Springtime. We will learn about butterflies and bugs by singing "The Ants Go Marching." During the spring, we see beautiful "spring colors" all around us from flowers to animals. We will learn yellow, pink, and green. Many of our crafts this month will include ovals and clovers. The numbers will be 17,18, 19 and letters X, Y, Z. On your "March", get set, let's jump into spring!

Ms. Montreka
