Administrator's News...

I LOVE Spring time!!! March was a wonderful month! We had so much fun celebrating Dr. Seuss's Birthday along with St. Patrick's Day!

I admire and respect each and every teacher for all of their hard work and dedication. I would like to thank all of the amazing teachers here at Wellington Academy. I can't thank these teachers enough for all that they do for the students. Next month, May 6th through May 10th, we will celebrate teacher appreciation week. Please take time out next month to recognize these amazing people and the work they do to make our student's lives better.

It is hard to believe that our preschool graduation is quickly approaching. The ceremony will be held at Island Coast High school on Saturday, May 18th at 9:00AM, and we are asking that the students arrive at 8:30AM! Every year I tell myself I will not cry.....every year I do!

Let's have a great month!

Ms. Jammy

Happy Birthday to all our friends celebrating this month!!!

WHY DO YOU PLAY SO MUCH?

Dear Families,

Have you been wondering why your child always seems to be playing instead of working in our classroom?

It's because play IS the work of a child!

Research has shown that play is the most effective way to teach preschoolers.

Here's some of the things we are learning:

Social skills like sharing and self-control.

Fine motor skills to prepare us for holding writing tools.

Gross motor skills like coordination and balance.

Creative expression and taking pride in our work

Literacy skills like book care and recognizing familiar words

Math skills like counting, sorting, and comparing

Science skills like constructing, experimenting, and observing

Please feel free to ask any questions you might have about our curriculum.

Rest assured – your child is learning AND having fun!
