June is here! This month its all about Sea, Sand, and Sun! This month we start our water day once a week during our outside time. Children have to come dressed in their suits, sunscreen applies at home, water shoes, towel, and change of clothes. Also, have everything labeled. Please apply sunblock at home, we are not allowed to apply sunscreen unless we have a doctors note. We are going to have so much FUN!

We are working so hard on our Alphabet and Counting to ten, they are doing AMAZING! We will continue to review our letters, shapes, and colors. We would like to wish Dalisay, Charlotte, and Malachi the best of luck in their new room! We will miss them so much.

Please replenish the spare clothes in the cubby now that the weather is warmer. Children should have closed toed shoes on everyday to protect their feet on the playground.

Any questions or concerns you can always ask your child's teacher.

Thank you for sharing your child with us!

Sand, Sun, and Sun
This month we are welcoming new friends Malachi and Madisyn. It's summertime and this summer is going to be a hot one.

Make sure to dress children appropriately for the weather. This June we will be playing with sand and water throughout the day. Plenty of extra clothes are needed for when the fun gets messy.

June starts water play and our class will have water day every Wednesday. Starting June 12th for our class bring your children dressed in bathing suits and water shoes. NO FLIP FLOPS. Apply sunblock before bringing children to school. Bring towels and a change of clothes for after water play. We will be doing activities outside like blowing bubbles, colorful chalk, and enjoying ice pops to help cool down.

We will be creating our own little beaches this month and playing with beach themed toys. We want to say thank you to all of the parents who gave us gifts for teacher appreciation week.

We appreciate it very much and love getting to teach all of your children. For potty training make sure pull ups are provided for easy maneuvering with potty training. Change of clothes are a must in case of accidents. Thank you for working with us on potty training and together we will get it done. Let's all have a great summer full of laughs, learning, and fun.

So make sure to have your child come to school with sunscreen already on their bodies and bathing suits on. Please make sure that your students have water shoes on when dropping them off and a pair of sneakers for after water play in their cubby. Also bring in a towel and clothes and make sure your child's name is on the towel. You will be dropping off in the VPK room that is the last door on the left all the way at the end of the hall.
