Classroom News

1B

This July our themes are 3-2-1 Blast off, Planets, rockets, stars and astronauts. We will review our letters M-Z and learn about the numbers 6-10 and how to count by 5's. Our colors are red, white and blue and our shapes this month are the crescent and stars!

Ms. Natalie

1A

Our theme for this month is space. We will be talking about planets, stars, rockets, and astronauts. We will also be celebrating the 4th of July and doing art projects themed to things in space!

Ms. Erin

3A/3B

3..2..1..BLAST OFF!!!! Welcome to the month of July where we enter a new world of planets, rockets, stars, and astronauts! We will review with our students the letters M-Z. We will learn to count by fives. Be prepared to see lots of art work for the 4th of July because we will review the colors red, white and blue as well as the shapes crescent and Star!

Ms. Brianna and Ms. Shannon

2B

As we come into the month of July, the Terrific Two's will be exploring space together. Our little astronauts will "blast off" into activities that focus on planets, rockets, stars, and real-life astronauts. In honor of the 4th of July the two's are going to be showered in projects with red, white and blue themes.

Throughout this journey we will also be reviewing letters M-Z, counting by 5's and numbers 6-10. The shapes crescent and star will be involved in much of their classwork. This month is going to be out of this world!!

Ms. Trinity

1C/2A

We are ready to take off, space cadets because we are flying into July! For this month we will review the letters M-Z and count by fives. On another exciting note, 4th of July is right around the corner so be safe out there! Our students will review their colors red, white and blue as well as their shapes of a crescent and star. Our weekly themes are planets, rockets, stars, and astronauts.

Ms. Amber and Ms. Tammy
