Get your backpacks ready because we are heading back to school! Going back to school means making new friends, learning about who you are and school! Our Students at Wellington are going to learn the letters A,B,C,D and the numbers 0,1,and 2. We are sad to see summer go but we are excited to enter a new school year!

Ms. Brianna

It's that time of year, Back to School!! I'm so excited to meet my new class and start some fun adventures! This month we will talk about ourselves so we can get to know our new friends, about our families, and of course my favorite fruit, an Apple! We will begin our letters A, B, C, and D, learning the sounds they make and a picture they can relate the letter with. Our colors this month are Green and Yellow, my favorite colors! Some shapes we will learn about this month will be circle and square and our numbers are 0,1, and 2.

Lets have a great school year!

Welcome to 2B! We are ready to kick off another school year! This year we will be learning all kinds of things through play and art. For the month of August, we will be starting with the beginning of the alphabet and our numbers. Our themes will change by the week but are all based on back to school! I can't wait to get this year started! 😊
