Welcome September!!!

This month's focus will be Community Helpers. Our activities will be based on different kinds of jobs we find in the community. It will be fun learning about fire fighters, police officers, doctors, nurses, and many more! We will continue to learn our letters, colors, numbers, and shapes.

Ms. Lisa/ Ms. Natalie

What a wonderful beginning of the school year we have had! The children are adjusting to new routines and are also very excited about making new friends and learning new things.

During the month of September we invite all of our families to visit and talk to the class about the kind of job they do in the community. We will talk about construction workers, fire fighters, police officers, doctors, nurses, and more!

Ms. Tammy

Welcome September! The school year is off to a great start and everyone is adjusting great! This month is all about community helpers! We will also be learning about letters E, F, G, and H, numbers 3, 4, and 5. We will continue our shapes, and colors. If you would please have your little girls wear shorts under their dresses. Any questions please feel free to ask.

Teachers teach, doctors help, firefighters and police officers help keep us safe, and construction workers help build our community. Those are just a few of many community workers that we will be learning about in September! We will also learn about the letters E, F, G, H and numbers 3, 4, and 5. We will also be working on different shapes. I am eager to teach the children many new things.

Welcome!!!
It's almost Fall! The children have been adjusting well. This month we will be learning about Community Workers, and how every job in the community is important. I will also be starting the 1st VPK assessment. You will receive the results when your child's is done.

Ms. Camryn
