FALL FESTIVAL

Wellington Academy will celebrate the autumn months with our Annual Fall Festival which will be held on Friday, October 18th from 7:00pm to 8:30pm. This celebration will have fun and games for the children and their families. During the Fall Festival we will have games, raffles, and refreshments.

We invite all of our Wellington families to join us for this annual event. How can you help? If you are available to volunteer to help supervise a game, or would like to donate goodies for treat bags, please stop in the office.

On Halloween we will be having classroom parties, so please keep an eye out for postings from your child's teacher.

Classroom News:

Infants

Happy Fall! Hopefully we will be getting some cooler weather! We have lots of fun activities and art planned for this month. We will also be having a Fall Festival this month and hope to see you all there!!

Ms. Devi

1A/1B

Welcome Fall!!

For the month of October we will focus on Fall, nature, and changes of the season. Hopefully this includes cooler weather!! Projects will include leaves, pumpkins, and working with the colors orange and black. The month will have a fabulous Fall Festival!

Ms. Natalie

Ms. Lisa

2A

This month we will be learning about Fall and the changes that begin to happen at this time year. We will have many fun fall activities as well as learn the letters, numbers, colors, and shapes for the month. Our Fall Festival will be on October 18th. We hope you can join us!!!

Ms. Camryn

2B/2C

Now that Fall is officially upon us, we will be learning about all the wonderful things the season brings, like pretty leaves and pumpkins! We will learn the letters I,J,K,L, the shapes oval and square, and the colors orange and black.

We are excited about the Fall Festival in the middle of the month followed by our Halloween Party at the end of the month!!

Ms. Amber

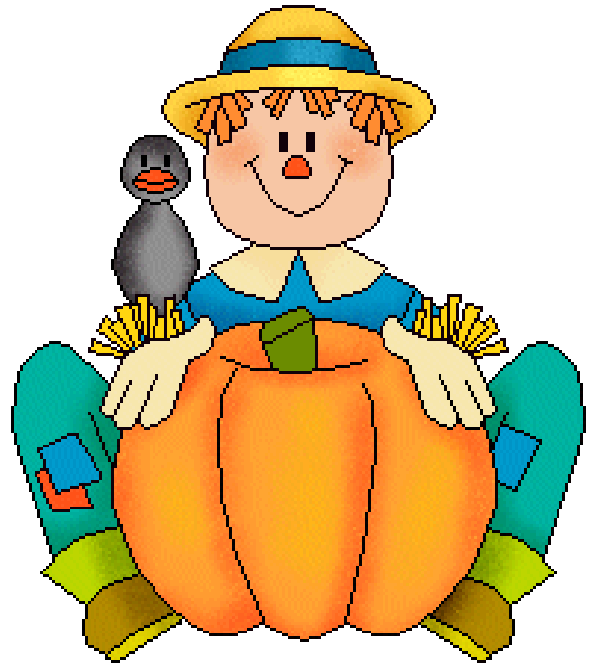

Ms. Tammy

3A/3B

In the month of October, our class will focus on letters I,J,K,L and numbers 6,7,8.

We have many fun fall activities planned. We are going to decorate pumpkins, create apple stampings, and have a great time at the Fall Festival.

We will continue to practice our cutting skills and practice name recognition and printing.

4A

This month we will be exploring nature and observing the changes that occur during the fall season. We will continue learning our colors, shapes, numbers, and alphabet.

We have some fun activities planned like pumpkin carving and a "Season Change" science chart.

Happy Fall,

4B

It's finally fall! For the month of October we will be learning about all things nature! We will explore outside to see the changes that place during the fall season such as the leaves and the weather. In the middle of the month we will have a pumpkin experiment and the Fall Festival so keep an eye out for flies!

Ms. Jasmine

4C

Fall is here!!

This month our theme is nature. We will learn about fall leaves, weather, seasons, and pumpkins. Some of our activities will include nature walks, pumpkin experiments, and making a weather log.

Our first round of VPK assessments are done. If you have any questions or concerns, please let me know.
