FEBRUARY

14 Happy Valentine's Day
14-Parents Night Out
17 Closed- Presidents Day

PARENTS NIGHT OUT

Once again we will give our parents the opportunity to have some time alone without their children. On Friday, February 14, we will host a Parents Night Out from 6:30-11:00 pm. Catch a movie or enjoy a romantic Valentine dinner.

The cost is \$20.00 for the 1st child and \$15.00 for each additional child. Reservations will be taken in the office, and parents will pay with the reservation.

Children should bring sleeping bag and pajamas. They may also bring favorite board game or DVD.

We will be serving pizza, popcorn, and drinks.

FEBRUARY....FULL OF FUN!!

This month we will be focusing on Healthy Habits: oral hygiene, personal hygiene, health and safety, and nutrition. The week of Monday, February 3, a dental hygienist will instruct our 3's and 4's in proper dental health.

We will also celebrate all the events inherent in the month. First is Valentine's Day and our love for family, friends, and mankind. Second is President's and multicultural leaders month when we celebrate influential individuals in government, science, industry, the arts, and more!

**HAPPY VALENTINES DAY

*****Classroom News*****

1A/1C

Ms. Lisa & Miss Natalie

This month we will be learning about Healthy Habits, such as washing our hands after eating, sneezing, coughing, blowing our nose etc. We will also be learning the letters U, V, W. Our numbers for this month are 3,4,5. Colors for this month are White, Red, and Pink. Our shapes are Octagon, Rectangle and Heart.

2B

Ms. JJ

During the month of February, we will be discussing Healthy Habits. Our letters are U,V, and W. Our numbers are 3,4, and 5. The colors are Red, White, and Pink. The shapes are Octagon, Rectangle, and Heart. We will also be collecting adult size shoe boxes for a Valentines Craft.

2C

Mrs. Shonnon

Parents,

February is the month of Love, so we will pass out Valentines cards in our class.

Thank You,
Mrs. Shonnon

3B/3C

Miss Brianna/Mr. Corey

Happy February everyone! In this month, we will learn about Healthy Habits! Healthy Habits can include brushing your teeth, taking baths, and even combing your hair. To further our activities, our students will learn about The letters U, V, and W, The numbers 3-5, and the Colors White, Red, and Pink to represent Valentines Day!

4B

Mrs. Kayli

Hello Parents, I have been enjoying my time getting to know and to teach your children. This month we will be focusing on the letters U, V and W. Our numbers are 14,15, 16 and the colors are White, Red and Pink to go with our theme of love. We will also be studying personal hygiene, health, dentistry. We will be incorporating these things into our lessons throughout the month.

4A

Mrs. Ashley

In February not only will our class be participating in Valentines Activities, but we will also be having a class Valentines Party. We will also be talking about Healthy Habits we should follow. Our letters this month are U, V, and W, our numbers are 3, 4, and 5. The colors this month are White, Red, and Pink to go along with Valentines Day. We will also review the shapes Octagon, Rectangle and Heart. Have a lovely Valentines Day!

4C

Ms. Judy

Hello Everyone,
Our letters for February are U, V, and W. Numbers are 14,15,16. Colors are White, Red, and Pink. Shapes are Octagon, Rectangle, and Heart. We will be studying personal Hygiene in all health areas, Dentistry, Health, and Nutrition. All are Health Habits we will be teaching the children. Math, Language, Art, & Science will be conducive to all studies. Hope all stayed warm through the Holidays! Happy Valentines Day!
