## Developmental 1 News

This month we will explore Healthy Habits that keep our bodies working in tip top shape. We will discuss and explore foods that are fuel for our body and some that make us feel sluggish and tired. The kids will learn to sort healthy food items into shopping bags by color. One week we will talk about the importance of dental hygiene and "brush" a laminated set of teeth that has been colored with dry erase markers to get the "plaque" off. We will also do some painting with toothbrushes and see how different things affect our teeth using hard boiled eggs. One of the things that will be encouraged is many forms of exercise. We will do "toddler yoga", have an indoor obstacle course, use our balance board to increase our skills, and use our jumper to work our large muscles. Of course, we will continue to keep our personal hygiene skills such as hand and face washing in the forefront and teach others as well. Here's to a healthy, happy February.

Please remember to check your child's cubby and Lifecubby every day for notes, paperwork, artwork, soiled clothing, etc.

A few reminders, please wash nap items each week and return on Monday. We would like to have at least one change of clothes in your child's cubby. Book club goes home on Friday for you and your child to enjoy over the weekend. Please return the book and completed form on Monday.

**\*PLEASE bring in updated family pictures for our family tree.**

**\*Parents we please ask children not to wear open toe shoes, also please no crocs.**

Thank you,

Mrs. Shannon, Ms. Stacey & Mrs. Monica
