Welcome Parents and Babies! At drop off times I love to acknowledge the babies and parents by saying their names and saying good morning to them. The parents and I talk about their babies night, whether they've slept well or any new information I need to know. We also discuss their child's mood at home, before arriving at school. Welcome to spring!

Happy Spring time my new class and parents! My name is Jordyn and I am 1A's new Teacher! I am excited to be here and to see not only the flowers bloom but my students also. We will be doing lots of Easter and spring crafts and will continue learning the letters P-Z, numbers 9&10 and shapes Triangle and Rectangle. We will be reading & learning about all kinds of animals and where they call home. I look forward to continue getting to know my students and my parents as well!

Hello Friends! Grab your Binoculars because we are about to see some animals in action!!

Come join our class as we explore through the Jungle, get crazy in the circus, do some digging on the farm, and will ROAR amongst the dinosaurs!! While on our exploration, we will be reviewing the letters Pp-Zz, the number 20, our shapes Triangle & Rectangle and creating masterpieces with the colors Brown & Gray. Thanks for Joining us on the WILD SIDE!!

Quiet on Set! Ready...and...Action! Welcome to the month of April! It will be about different animals in action! Make sure to grab your binoculars so we can take our students on our very own safari through the Jungle of our classrooms, the circus, farms and even dinosaurs! It will be a jam-packed month because Spring is here! We are reviewing the letters P-Z and all the shapes, numbers and colors. Parents and Guardians since Spring is here, please remember to dress your child accordingly. We are ready for the fun months to come!
