## INFANTS A

For the month of June, the theme is Sun, Sea, and Sand. Let's bring the beach to the classroom. There are so many crafts the babies can do. We will do a beach painting, a footprint octopus, a footprint crab, and more. We want to try a sand sensory bin, and of course we'll listen to tons of "Baby Shark", "Row, Row, Row Your Boat", and more.

## Upcoming VPK and Alumni

What a fun month we are going to have, June is all about the outside world. Which we have not been able to enjoy these past few months. We are so excited to see more of our friends come back to school. The class will learn about the beach, sea animals, and fun in the sun.

We will continue to a review of our letters and sounds, practice writing, working on rhyming words. In math, we will continue to work on number review, patterns, number order, and introduce adding. A new color will be introduce to the class, turquoise, along with color review.
