Infants

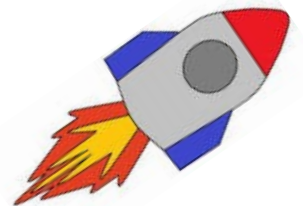

Happy July!! This month our theme is 3-2-1 Blast Off! Books will be read to the kids about the Planets, Rockets, Stars, & Astronauts. We will focus on letters M-Z and numbers 6-10. Our colors are Red, White, and Blue. We will use these colors to make an American Flag. Our shapes are crescent and star and we will be looking at pictures of these shapes along with playing with toys that involve these colors and shapes. And Sounds that resemble twinkling stars and the outside night time sky, we will be listening too also.

- Mrs. Devi

1A

For this month, our class will be doing crafts related to July 4th. We will be making red, white & blue hand prints and turning them into fireworks. We will be reading books about stars and planets. We will be looking at lots of videos about the moon and Astronauts. We will also be doing many counting activities such as counting the blue and red stars.

- Miss Jordyn

2B/2C

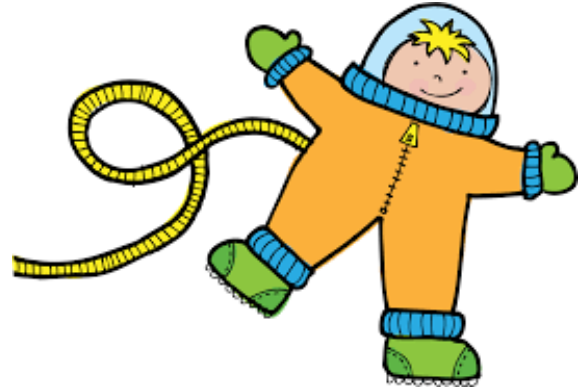

Our theme this month is 3-2-1 Blast Off! We'll discuss planets, the moon, stars, and rockets. We will pretend to blast off in space, and have some make believe fun pretending to be Astronauts traveling to Outer Space. We will also review the letters M-Z and numbers 6-10. Our colors this month are Red, White, and Blue and our shapes are Crescent & Star.

-Ms. JJ

We are blasting off into Space for the month of July, as we explore the Planets, Stars, and Astronauts.

Our shapes will represent the night sky with a crescent and stars. Our colors are Red, White, & Blue for our celebration of Independence Day of July 4th! We will be reviewing letters M-Z & counting by 5's! We're looking forward to a month that's Out of this World!

3C

What's that in the sky? Do you see it? Is it a bird? A plane? A balloon? No! It's the planets, rockets, the stars, and Astronauts! This month, we are blasting off into July! July is going to be filled with lots of fun in the sun. We are still reviewing our letters before the new school year. But we are focusing our attention on counting our numbers by 5's. Also, expect lots of art projects that are going to be made and dedicated to the stars and moon in the sky, as well as the colors Red, White, and Blue. Remember, it is getting hotter outside so please dress accordingly :)

- Miss Brianna

July is here!! The month of July is going to be out of this world for the 4's! We can't wait to blast off as we learn about Outer Space and Astronauts.

We will also be reviewing our letters and numbers, and focusing on the colors Red, White & Blue for the 4th of July. We can't wait to see how these little stars shine!

- Mrs. Kali

Schoolers

Happy 4th of July friends and family! For the month of July there will be a lot of fun activities for the Schoolers. We will be doing activities celebrating Independence Day, and we will also be continuing Water Days on Monday's and Kona Ice on Friday's. We will be doing fun Science experiments Get ready to blast off a fun filled month!
