INFANTS A

This month we'll be working on a lot of walking. As two of my babies are getting to that stage. We will also be working on "All About Me" books for the parents. This will give them an idea of their personalities and favorites within the classroom environment. This month's theme is Back to School/All About Me.

For this, we will be teaching how to share which is an important tool for our babies. Our friends will also learn how to make friends and be nice to our friends.

That is what this month is all about. We will be working on making handprint and footprint crafts for our books and a possible finger-paint craft. We are so excited to share this month with our babies!

Upcoming VPK and Alumni

Happy August everyone and welcome!

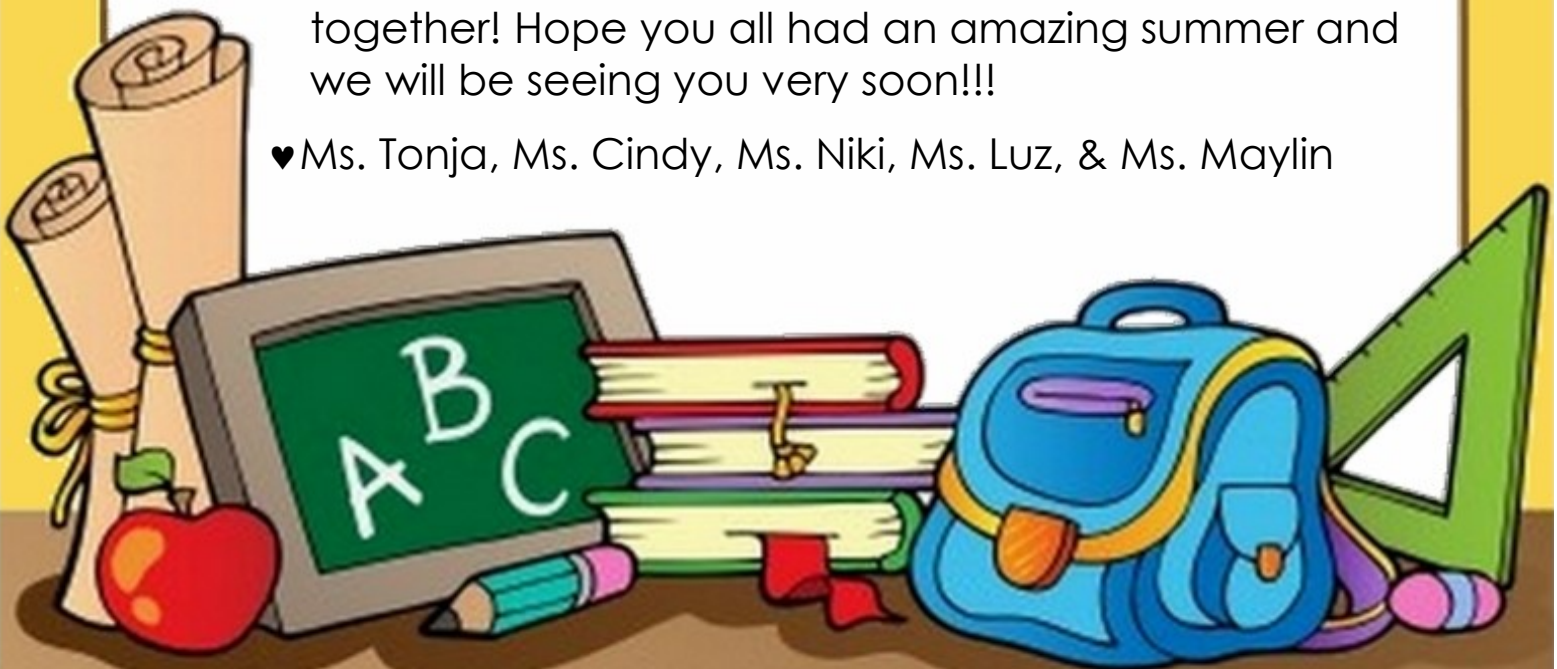

Last month we learned all about space and the planets that are part of our galaxy. I think so far this was a favorite for many of our thriving students.

In the month of August we will have some new additions to our class as well as welcoming some of our returning students. We cannot wait to see you all! August will begin with getting to know each student through an activity called "All About Me". With that we will learn a little something about each and every child. Including their families the following week. Through all of this, we will be creating everlasting friendships.

Throughout our day, we will also start the beginning steps of reading by learning about our alphabet. This month's letters will be: A, B, C, & D. Let's face it, there wouldn't be much fun without tackling our numbers, so we will be looking at 0, 1, & 2 through developmentally appropriate activities. So many things to be excited for.

Hold onto your hats as we begin our VPK journey together! Hope you all had an amazing summer and we will be seeing you very soon!!!

♥ Ms. Tonja, Ms. Cindy, Ms. Niki, Ms. Luz, & Ms. Maylin
