Administrator's News...

We can't believe that the summer is almost over. Our theme for August curriculum is back to school, the teachers are preparing fantastic lesson plans and activities for their students. We continue to strive to provide the best services to our families and are very thankful to all our supportive parents in helping achieve this success. We could not do it without your support!!

Water Days have come to an end. The children really enjoy this fun, summer activity. The weather is really heating up, and it unfortunately does not look to be cooling down any time soon. Please make sure your children come dressed in weather appropriate clothes.

At the end of this month, we as a school will be celebrating North Cape Wellington Academy's birthdays!! We are asking all our children to wear a Wellington Shirt on Friday, August 30th to celebrate! If your child does not have one, they are for sale in the Front Office for \$10!!

We look forward to learning and growing with each of our students. We are so very grateful that you have chosen Wellington Academy to educate and love your children.

Love, Ms. Keri

Please remember to label everything your child brings to class. We would love for each of you to bring in a family picture to hang up in our classroom, the children really enjoy being able to look at pictures of their family throughout the day! We are looking forward to a great school year! If you have any questions or concerns, please don't hesitate to ask!

Developmental 2A

Wow! How is it that we are starting a new school year already, it is going to be the holidays before we know it! ;) We want to welcome Ms. Kelly to the classroom. We have had so much fun this summer with her and look forward to having her as a teacher in fall. We want to welcome all of our new friends! This is going to be a great year! Please make sure your child has at least 2 pairs of weather appropriate clothes in their cubby and keep a look out if your child needs anything.

Developmental 2B

How is it August already? This month we are getting back to the basics! We will dive right into the alphabet, counting, and shapes as well as introducing more fine motor skills. The only thing your child needs to bring to school is a change of clothes, a sheet for their mat, a blanket, and a small lovey to sleep with. We will work on potty training, so please talk to your teacher if your child is ready for undies. We want to welcome our new friends and look forward to a great year!

Developmental 3A & 3B

Welcome back to a new and exciting school year!! A warm welcome to our friends who are new to the class. We are so happy that we get to share our new adventures together. We have lots of learning and fun activities planned this month. In the month of August, we will kick off our "back to school" theme with fine motor, letter practicing and names! Please make sure that each child has a sheet and blanket to use during nap time. Don't forget to label them! :) On Friday's we ask that you take the sheet and blankets home to be washed and brought back on Monday's. Each child on Friday's can bring in a toy from home to use during Show and Tell. Please try and label it, as well make sure it's a reasonable size, as we have limited space. We are looking forward to making this year fun and filled with lots of learning experiences.

VPK C & D

The new school year is already here, can you believe it?! We want to welcome all our new students, we are glad to have you as a part of our Wellington family, and we are looking forward to a great year! This month is all about the basics such as: learning classroom expectations, exploring our new classroom and making new friends. The letters for this month are Aa, Bb, Cc, and Dd. and the numbers are 0, 1 and 2. Parents, we encourage you to work with your children at home, the more practice, the better. Every Friday is Show-n-Tell. Your child can bring in one (1) toy from home, that they can tell their friends about. This helps them build their vocabulary and open them up more to their fellow classmates. Bringing your child on time each day, is very important. Please try and have them here no later than 8:30am each day for our morning class, and 2:00pm for our afternoon class. Thank you all for sharing your child with us. We are looking forward to a great year!!
