Wow July was a busy month! August is a time for Back to School which means preparing our little ones for kindergarten.

We will start the school year by focusing on getting to know each other. We will start working on letters Aa - Dd and numbers 0, 1 and 2 This will include letter and number recognition.

Also a few reminders for the year, we ask that no outside toys be brought into the classroom as it causes a distraction during learning time. Each child that is staying after VPK will need a 2 inch thick sleep mat, as well as a sheet and blanket. They will be sent home every Friday to be washed and returned on Monday.

At the end of the week your child will bring home any papers they may have.

Please label all belongings. We look forward to an awesome month and as always, thank you for sharing your child with us!
