First Day of Fall

For the safety of the children, please do not leave your car running unattended, also be sure to watch your speed in the parking lot and that children are attended to at all times.

Tuition is considered late by 4pm of the first day of the month/week when care is being given. Late tuition payments will generate a \$40 late fee per week.

We made it through the first couple of weeks without a hitch. The teachers and children are adjusting well to their routines.

This month's theme is "Community Helpers".

We are sending out Scholastic book orders because they are a reliable, affordable way for your child to choose books that they will love to read at home.

Each book ordered gives our school points towards free books for our classrooms. Thanks for the support!

We are having our annual Fall Festival on October 23, 2020 any prize or candy donations you may be able to offer would be greatly appreciated!

## Nursery

September is finally here and our nursery is full of love and fun!

It is such a joy to watch all of our babies play and learn throughout the day and we will continue to practice tummy-time with our younger babies, as well as standing and walking with our older babies.

Please remember to label all bottle tops and bottoms with your child's first and last name, as well as supply an extra change of clothes.

Thank you for sharing your child with us!

Summer is coming to an end, we are ready for FALL!

September is all about Community Helpers. We will talk about all kinds of different community helpers. We will continue to review our letters, numbers 1-10 and colors. The children are doing AMAZING.

Also, if you are able to donate a plain white child size t-shirt to our class it would be much appreciated.

We get very messy exploring with our art projects this way we can protect their clothes better. Thanks In advance!

Thank you for letting us care for your precious babies.

Wow! It's hard to believe it's September already. It has been a great year so far! This month we will continue to work on our alphabet book and learning letters through making pictures about our community helpers. We will be learning about our everyday heroes such as police officers, doctors, firefighters and nurses. All of our friends are doing wonderful on the potty. We appreciate your help at home with this milestone. We are currently working on getting as many friends in big boy and big girl underwear. Please be sure to have an appropriate amount of spare clothing in your child's cubby. For example 4 pairs of outfits, socks, shoes and undies just in case of an accident. We look forward to another great month of helping your little one grow.

Thank you for sharing your child with us!
