We can't believe it is already November! This month is all about families and being thankful.

October was a busy month with all our Halloween art projects and activities. We kept an eye on our garden waiting for the pineapple and squash to bloom! So far nothing yet but flowers.

This month we will be learning about the letters M,N,O and P. We will continue to focus on number recognition and basic adding concepts.

We will be having a Thanksgiving feast in our classroom (students only). If you would like to sign up for something to share it would be greatly appreciated. Sign up sheet will be at the drop off and pick up door.

We are starting show and tell in November. Every Friday your child can bring in an item that starts with the letter of the week.

Thank you for sharing your child with us.

Love your VPK A Teachers:
Ms. Linda & Ms. Daphne

Purple and Brown are our colors to focus on this month, Triangle and heart are our shapes for this month and of course continuing to practice our numbers, sight words.

We will also be having a small VPK family Thanksgiving snack time during this month, just keep an eye out for the sign-up sheet to bring goodies for when the time comes.

The topics for this month are cultural diversity, my family, animal families and Thanksgiving.

I am very thankful I have such a great classroom with such amazing kids, that I am able to see and teach everyday. Can't wait to have an amazing month!
