14th Happy Valentine's Day  
15th Closed— Presidents Day

## PARENTS NIGHT OUT

We have not done a Parents Night Out in a while but are considering bringing it back in March. For those of you interested we will be placing a sign up sheet soon with the date so be on the look out for that!

As a reminder it runs from 6:30-11:00 P.M. We do provide dinner to your children and generally watch a movie and do crafts.

If you choose to join us it is \$20 for the first child and \$15 for each additional child. You should provide a sleeping bag and pajamas for them as well.

Thank you!

## FEBRUARY....FULL OF FUN!!

This month we will be focusing on Healthy Habits: oral hygiene, personal hygiene, health and safety, and nutrition.

We will also celebrate all the events inherent in the month. First is Valentine's Day and our love for family, friends, and mankind. Second is President's and multicultural leaders month when we celebrate influential individuals in government, science, industry, the arts, and more!

\*\*\*\*\*

**HAPPY VALENTINES DAY  
FROM WELLINGTON ACADEMY !!**

## Birthday Friends!!!

*2/28*

Happy 2nd  
*Alexis Smith—2/7*

Happy 5th  
*Amari Burgess—2/10*  
*Amelia Moore—2/25*

Happy 3rd  
*Angelina Diem - 2/22*

## \*\*\*\*\*Classroom News\*\*\*\*\*

### 1A

This month we are welcoming Ms. Katie to our center. Katie has recently joined us and is working hard to get to know her children here and getting her room put together for them. She has chosen a Hungry Caterpillar theme for her room and the kids love it! We are very excited to have her be a part of our team!

### 2B

#### Ms. JJ

This month we will be learning about healthy habits, like exercise during our morning routine. Healthy meals or snacks and physical activity. We will also be having our Valentines party on the 12th, be on the lookout for the sign up sheet. Our letters this month are U,V,W; numbers 3,4,5; colors white, red and pink and our shapes are rectangle, octagon and heart. Happy Valentines day everyone!

### 3C

#### Ms. Brianna

Happy February everyone! We've got a jam packed month coming straight to you! For the month of February we will learn all about Healthy Habits, Valentines Day, Black History and Presidents. Since we are learning about letters U,V,W expect some crafts like U for Umbrella and V for Valentine. Our shapes are rectangle, octagon and heart so be prepared to see more art regarding those shapes like making a person out of them. All of these will include our colors of white, pink and red. On February 12th is our Valentines party so be on the look out for a sign up sheet!

**Ms. Devi**

Week 1: Healthy Habits: I will talk about how important it is to be healthy or you can get sick. We will name healthy habits such as taking a bath, washing hands and eating healthy foods. I will read books showing healthy habits to the children

Week 2: Valentines Day: With the celebration of love and affection we will send greeting cards to loved ones and read books about valentines. We will also be making heart crafts

Week 3: Black History: we will read black history books and show pictures to the children and talk about it being an annual event

Week 4: Presidents : Books will be read about Presidents of the United States. Pictures and names of the current President.

4A

**Ms. Ashley**

Let's welcome love in the air as we begin the month of February! As we continue to learn in a classroom full of love, we will also continue to learn about Healthy Habits, along with Black history and Presidents. We will be doing lots of crafts to go with Valentines day and we will also celebrate our love with a class party, look for further details!

To get a better understanding of the importance of Black History and Presidents Day, we will watch a short video on BrainPop for the class along with reading out loud each day as we expand on historical topics. The valentines crafts will incorporate our colors this month and to go along with our letters. During our center time we will use playdough and shape mats to help continue to form the shapes we are learning and will focus on rectangle, heart and octagon.

For our math section we will do activities that trace the number, count out the number of objects and write the number word, focusing on 14,15 and 16, which tend to be tricky for our little friends are counting.

I hope everyone is having a wonderful new year and our class looks forward to showing each other lots of love!
