Dear Parents,

May is here! Which means VPK is coming to an end. Before that happens, we have a lot planned for the month! This month we have Teacher Appreciation week! So please shower your teachers with compliments and let them know how truly appreciative you are of them! This month we are also celebrating our lovely Mothers. Every classroom will be doing something special to show our moms how much we love them! Your little ones look up to you and want to say thank you for everything you do for them!

VPK is coming to an end, and our graduates will be greatly missed as they move into Kindergarten. We are currently seeking venues for our Graduation. We will keep you informed as we make arrangements.

As a reminder each Friday this month for presentation is kids choice. Please have your child bring something in to show and discuss with their class. Our class is looking for donations of old shirts to use as paint shirts.

Thank you

# VPK C

Hello May!

This month we will be working with our students on measuring different things and sizes.

In language and in writing, students will continue to work on recognizing the alphabet and sounds. Working on beginning, middle and ending sounds. The students have also been working on many different sight words.

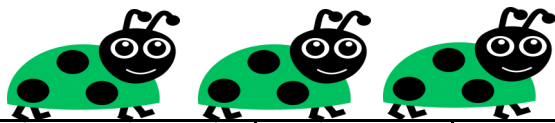

We are super excited for our students because they are moving on to Kindergarten and have worked really hard over this past school year.

We are looking forward to finishing strong and having lots of fun.

# THANKS

for **ALL** that you did today in your classroom...

For making a million little split second

**DECISIONS** for the benefit of your students.

For putting your own needs on hold and keeping them the **FOCUS** of your day.

For **PLANNING** for them long before today ever got rolling.

For **CHANGING** those plans because they didn't fit someone who needed a little extra.

For smiling, **LAUGHING WITH THEM** and reassuring their efforts, trials and mistakes.

For placing your hand on a shoulder that was **EXACTLY** what someone needed.

For getting down on the physical level of your students because **IT MATTERS**.

For thinking of a new way to reach someone who wasn't getting it.

You matter.

Yes — **YOU MATTER.**
