VPK A

It's hard to believe that graduation is right around the corner! We've been practicing for a while and can't wait until we get to share this special event with the parents. Due to Covid-19 this year will not be our typical graduation ceremony but we are excited and ready!

This month we are reviewing all the letters and numbers as well as sight words and math. The 3rd and last assessment will be given in the middle of May. We will miss our VPK students but we are confident your child will be ready for their next journey into kindergarten.

Thank you for sharing your child with us!
