## Nursery

Hello July!

We are excited for the days to come to learn and have lots of fun! The weather changes very quickly this time of year so parents be prepared with an umbrella in case it rains at pick up time. Friendly reminder to have an extra change of clothes. Please always label your bottles top and bottom.

Thank you for sharing your child with us!

## D1

This year is flying by! Summer is off to a great start, we are loving our water play days! We are excited that parents are being welcomed back into the school! Now you can see all their art work and see them in action. Please keep drop off and pick ups short and sweet as this will be a new transition for the children.

July is all about red, white and blue. As always we will continue to review circle time songs and different sensory activities. If anyone would like to donate bubbles to our class we have so much fun with them! Please welcome Garet, Audrey and Autumn to our class. Please feel free to ask with any questions you may have.
