## Nursery

Summer is coming to an end and we are ready for Fall!! We would like to extend a warm welcome to our two new friends, Marianna and Veda. While we say goodbye to Francesco as he turns one this month. It has been a pleasure to watch him grow over these past few months. Hooray to Layla for learning to roll over! It is such a joy to watch all of our babies play and learn throughout the day. We will continue to practice tummy-time with our younger babies, as well as standing and walking with our older babies. Please remember to label all bottles and lids with your child's first and last name, as well as supply a few extra changes of clothes.

Thank you for sharing your little ones with us!

Wow! Its hard to believe it's September already. It has been a great year so far! This month we will continue to work on our alphabet and learning letters through making pictures about our community helpers. We will be learning about our everyday heroes such as police officers, doctors, firefighters and nurses. All of our friends are doing wonderful on the potty. We appreciate your help at home with this milestone. We are currently working on getting as many of our friends in big boy and big girl underwear. Please be sure to have an appropriate amount of spare clothing in your child's cubby. For example 4 outfits, socks, shoes and undies just in case of an accident. We look forward to another great month of helping your little one grow. Thank you for sharing your child with us!
