Infants

Welcome to the new school year! We are welcoming our new friend Elijah into the classroom. We will be celebrating Marcell and Oakley's birthdays as well as preparing them for their transition to the 1's classroom. The theme this month is "You are the Apple of my eye"! We will also be talking about our families and making family trees! This past month we have had some milestones in our classroom: Ashton learned to crawl while Oakley learned to walk, Alikai and Keegan learned to sit on their own. We are looking forward to a great month and more milestones.
