Administrators News...

Is it Fall??? The calendar says it is but the temperatures say different! September was a wonderful month that just flew by.

This month is one of our favorites at Wellington! Our annual fall festival unfortunately is canceled. However, we are planning a fun week full of exciting activities, including a trick or treating day! Parents will be welcome to come to enjoy this fun activity. We do ask that you respect the other parents and social distance! We are requesting donations of individually wrapped bags of candy and we will have raffles available for our fun week planned. We appreciate any and all donations.

Progress reports will be distributed Friday, Oct 29th. These reports are completed on each student by their teachers. The results of the progress reports help assist us when planning our curriculum and to determine the growth the children have accomplished academically. Our goal at Wellington Academy is to make learning a fun process in which children develop a positive self-esteem about themselves and about learning. If you would like to meet with your child's teachers, please let us know and we can set up a time for a conference!

We are looking forward to a great month!

Love, Ms. Keri
