Director
Sherry Whitty

Dear Parents,

Our curriculum for the month of November will focus on Families. Sub topics include cultural diversity, individual families, animal families, and Thanksgiving. By the end of the month your child will have a developing concept of families and how they are both the same and yet different. Children will gain understanding about inclusion, diversity, acceptance and tolerance of differences.

Classes will focus on the colors **Brown** & **Purple**, the shapes triangle & heart, the numbers 9 & 10, and if your child is under 2 years old, will focus on the letters M, N, O, P, and if older then 2 years old, will focus on the same letters however will discuss both upper and lower case letters and their use.

Our Halloween event was a success. Thank you for all your candy donations and for making our celebration awesome! And the costumes were precious.

Please visit our new community board located on the left main hallway wall. There is a plethora of events listed for your family to enjoy this month!!

Dates to remember !

Turn clocks back 1 hour –November 7th

Canned Food drive –November 1st-12th

November 11th—Veterans day—NO VPK

INFANTS A

♥ Ms. Ayla

This is my first newsletter, I am so excited to be part of it. My name is Ms. Ayla and as you know I am your child's new teacher. I recently moved to Fort Myers from Connecticut. I have worked in child care for just under four years however have always gravitated to children. I look forward to forging wonderful relationships with your family.

I would also like to welcome Ariella and Elijah to the class. You have made my transition a warm one.

CLASSROOM 1A

♥ Ms. Lillian & Ms. Madeline

This month we will be learning all about families and the various family dynamics. We will include families from around the world as part of our cultural diversity portion of our curriculum. The concepts of inclusion, acceptance, and unity with our peers will be incorporated into our daily activities to encourage these qualities in the children. While we work on teaching the children to clean up as they are finished playing, we encourage the same at home. We continue to learn independent life skills and test our limits of individuality, autonomy, and independence.

CLASSROOM 2A

♥ Ms. Kelly

November is about families, your family, my family, and even animal families. We will talk and learn about different families and how your family may be different from my family yet we also have similarities. We will discuss topics encouraging children to accept each other for who they are and learn the importance of inclusion. While children at this age are egocentric, this unit allows us to encourage children to care for each other and accept each other for who they are.

Please be reminded to have at least two sets of spare clothing in your child's cubby.

CLASSROOM 2B

Thanks♥ Ms. Teasha

During the month of November our class will be busy with activity. While we grow we also learn more about empathy. Thanksgiving offers us opportunities to teach the children acceptance, tolerance, unity, community, and compassion. Too often we have little to no patience for people. Teaching children young, to accept people for who they are, allows us to constantly encourage positive behaviors instilling kindness and thoughtfulness.

We would like to welcome Declan to our class. We spend so much time together it feels like you have always been part of this class. We would like to say goodbye and good luck to Callie as she moves up to the Pre-k class. We know you will soar!

CLASSROOM PRE-K

♥ Ms. Ebony

I would like to start off this month by welcoming Callie to our class. Callie moved up from the two year old class, we are excited to have her with us. I would also like to say welcome to Shin-En and Natalie who are new children to our class and our school. We know you will be as happy to be here as we are to have you here! I would like to thank the parents for diligently working with your children at home connecting school to home. Our combined efforts make a great team for your child. Our Halloween celebration was a success, give yourselves a pat on the back for your contributions. We couldn't have done it without you!

Our activities this month will revolve around families and cultural diversity. While we always encourage a sense of community in our class, we will go in depth to encourage such concepts as inclusion and empathy.

VPK A and B

♥ **Ms. Tonja and Ms. Luz**

Our Halloween celebration was a success. We enjoyed seeing all the different costumes. Thank you for all your candy donations, they made our celebration scrumptious. November is all about families and cultural diversity. Towards the end of the month we will discuss what we are thankful for. Along with our regular curriculum topics, in math, we will introduce a measuring unit, our focus on language development will be on compound words, words that rhyme, and we will also start blending letter sounds to make words.

Please remember to check your child's file everyday and make sure to have an extra set of clothes in their cubby at all times.

We would like to welcome Jordyn to our class. We are excited to have a new classmate!

VPK C

♥ **Ms. Maylin**

Welcome November! This month we will be learning about families and being thankful. We will start out discussing families which will lead us to the topic of cultural diversity, moving forward to animal families, continuing with our families, and ending with Thanksgiving. We are working on the letters: L, M, N and the #'s: 11, 12, 13 and shapes: triangle and hearts and the following colors: brown and purple. We continue to learn our classroom routine as well as development of new skills such as sequencing, opposites, and patterns!

**HAPPY, HAPPY
Thanksgiving**
