ADMINISTRATORS NEWS...

Happy Holidays!! This is my favorite time of the year! November was a wonderful month for our students. They learned all about fall, traditions, and families. They also learned about the first feast held by the Pilgrims and Native Americans. The children enjoyed a feast of their own and loved all the delicious food!

We are flying towards the end of the year! Brace yourself because it will be here before you know it. This month is packed with fun activities and events. There is a flyer attached to this newsletter that will keep you updated with our upcoming events. These events are very important to us because they celebrate togetherness. I

This month our curriculum is focused on "Celebrations around the world." We will learn about many cultures and their celebrations for the holidays. We welcome our families to share their traditions, and customs.

Please refer to our monthly calendar for closure dates as well as important events.

We wish you all the happiest of Holidays, from our family to yours!!!

Love Always,
Ms. Keri
