Our Holiday programs were a success, thank you for your continued support. Studies show when families support their children's education, they have better learning outcomes, higher graduation rates, and continue on to higher education after high school. Your support of your child goes a long way!! ♥ **Wellington Family**

A close-up photograph of a birthday cake. The cake is decorated with white frosting piped in a swirl pattern on top and white sprinkles on the sides. Several lit candles in various colors (yellow, red, blue) are visible, with their flames glowing. The background is softly blurred, showing more of the cake and a white plate.

**Happy Birthday

Did you know?:

January is the first month of the year in the Julian and Gregorian calendars. The name is derived from the Latin word for door, *ianua*. It's generally believed the month was named after the Roman god Janus, god of the sun. However, ancient Roman farmers' almanacs list Juno, a Roman goddess, protector and special counselor of the state, as the deity for January.

Names for January's full moon:

Wolf Moon, Old Moon, Ice Moon
