## Administrators News...

HAPPY NEW YEAR!!! I still can't believe that 2022 is here!! We thoroughly enjoyed the memories that we have made with your amazing children, the holidays were wonderful and full of togetherness and love. We hope that you had as much fun and joy as we did.

As we come to the second half of the school year the pace is going to pick up as we prepare our VPK students for their transition into Kindergarten students. Our younger students will continue with their academic and social growth. The teachers are doing a fantastic job guiding your children in their learning. A great way to assist them at home is to reinforce what they have learned during the day at school. Reading with your child is a great way to promote early literacy. We have posted both our monthly curriculum and activities your child is working on daily in the classroom. Please take a look and ask your child questions and reinforce the learning while you are at home, in the car, or out-and-about. It truly makes a world of difference!

I would like to take the time to thank all our parents for their kind words and appreciation throughout the holidays. It truly is a blessing to be a part of your children's lives each day. I would also like to thank all the parents that assist and participate in classroom activities and donations for classroom events and projects. We appreciate you going above and beyond to help. On that note, I would like to inform our parents of our PARENT APPRECIATION DAY. It will be held on Friday, January 14th. There will be an assortment of breakfast items, coffees, and juices at the front desk to show our appreciation for having such wonderful parents!!!

I would like to encourage all our parents to communicate regularly with your child's teachers. I know that it is hard at this time. If you have questions, comments, suggestions, or concerns, please feel free to ask to talk directly to your child's teachers, myself, or Ms. Kayla. We are here to help you and your child through these precious years of their life, your input is always welcome and necessary. While perfection is impossible in this world we live in, we want the very best for your children. We strive to be the quality child care facility that you were searching for when you chose Wellington Academy. The teachers, as well as myself take pride in our work and in the relationships we form with not only the students, but with the families as well. Thank you for choosing Wellington and for believing in us!
