- ◇ Theodore Morells 2/12
- ◇ Lucas Rivera 2/13
- ◇ Elijah Girley 2/26
- ◇ Juno Wleloszynski 2/26

N1

This month we will identify letters V&R, the number 8, the shape is a heart, and our color is pink. We will be learning our letters, number, shape, and color from flash cards and interaction around the classroom. Our theme is "We love you bunches", I would love for parents to bring a family picture so we can talk about love from our families. We also will be making Valentines Cards for parents and siblings.

-Ms Devi

1A

Our theme for February is "We love you bunches". We will be working on a variety of different hearts and Valentines Day decorations. This will help the little ones to improve gross and fine motor skills!

Our goal is to keep all children as healthy and happy as possible. For safety and sanitary reasons, the children should wear socks and closed-toe running shoes everyday.

- Ms. ChiChi

2A

This month we will learn all about love, dental health, and President's Day. Our letters for this month are V&R, our color is pink. Shape is heart & our number is 8. As always we have many fun activities planned. Let's have a great month & Happy Valentines

Day!

-Ms. JJ

3C

This month we will be reviewing how to show others love, dental hygiene, President's Day, and Groundhog Day! We have so many fun and interactive activities planned. Expect to see lots of pink and hearts sent home! Let's get in the loving and giving spirit this month!

-Ms. Caitlin

43

Our theme this month is "We love you bunches". We will be going over the letters V&R, the number 8, the color pink, and heart shapes. Another important part of this month is dental hygiene, we will review how to take care of our mouths and keep our teeth pearly white!

Happy Valentines Day!

-Ms. Tina & Ms. Hina
