Most of the children enjoyed our slow cooker hot cocoa last month. Hopefully this months activities will go over better.

Science—One of many activities this month, we will observe what happens to eggshells after being placed in different types of liquids.

Our Valentine's Day party will be on **2/14/22**. Please be sure to sign up to contribute a snack to our party!

Please remember to label your child's cup daily with their name and date. We will have masking tape available to you at drop off to relabel your child's cup if needed.

February is all about being safe!

At the beginning of the month we will review how to brush our teeth and what food keeps our teeth healthy. Our class will learn about President's day and why this day holds significance in our country.

Let's throw some extra fun in there with a Valentine's Day party and crafts to match. Please see the sign up list for contributions to make this as festive as can be! We have begun practicing our graduation songs, there is a lot to learn for our big day.

As a reminder: Presentation day is every Friday. Please have your child bring an item that starts with the letter of the week.
