Hello Parents!

A few new things to share with you this upcoming month, we have two new teachers! Ms. Tammy (3's) and Ms. Amber (Infants) have been with us before so let's give them a warm welcome back! Also, this month we will be asking that any clothes, sheets, blankets, backpacks or any other personal items be labeled with child's name and last initial. Anything already at the center that is unlabeled will be labeled by their teachers. We'd like to eliminate issues of personal items getting misplaced or mixed up, Thank you!
