Sherry Whitty

Dear Parents,

It's just about spring! Now that the weather is warming up please remember to dress your child weather appropriately and that it may rain some days.

Our March curriculum entails the following themes and learning topics: Spring as it relates to Flowers, Bugs, Butterflies & Bees, and Spring Animals & Nature. Classes will focus on the colors **Pink**, **Yellow** & **Green**, the shapes Oval, Flower, & Clover, the numbers 17, 18, 19 (3 yrs & older) or 6, 7, 8 (for children under 3) , and if your child is under 2 years old, will focus on the letters X, Y, Z and if older than 2 years old, will focus on the same letters however will discuss both upper and lower case letters and their use.

Dates to remember!

March 18th-25th

No VPK-Spring Break

School Fundraiser 3/14/22
through 3/28/22

March 17th

Happy St. Patrick's Day

Happy Birthday!

Ms. Teasa 3/2

Ms. Ayla 3/10

Blake 3/11

Emily 3/14

Gianna 3/20

Lio 3/20

Aubree 3/28

Ms. Lilly 3/31

INFANTS A

I hope everyone enjoyed their Valentine's Day and gave their loved ones extra loving.

We have a birthday celebration this month. Blake will be turning 1 this month. We are so excited to help her celebrate. My birthday also falls in March, on the 23rd. Happy Birthday to us both!!

March will bring us lots of Spring focus. We will be learning about flowers, butterflies, bees, and what they need to live.

♥ Ms. Ayla

CLASSROOM 1A

I am excited to be back in the class creating memories with your children. Springtime is here and our little bees are buzzing! It's all about bugs, flowers and nature! Of course, we will have plenty of art projects to do! While the weather is still unpredictable please send in a light coat with your child even if you don't need it in the a.m. sometimes it gets colder not warmer, as the day goes by. Please remember to have 2 sets of clothing in your child's cubby at all times. Keep an eye out for the sign up for our St. Patrick's Day Party. We love to party!!

♥ Ms. Lily

CLASSROOM 2A

We are planning a St. Patrick's Day party, information will go to parents as we draw closer to the date.

We will talk about the spring season and with use of fine motor skills we will create bugs and flowers at art time.

I would like to say thank you for making our Valentine's Day celebration a success. Thank you all for your contributions!

Please be reminded to always have two sets of clothing in your child's cubby / back pack.

Please be reminded that the weather is still questionable. Please be sure your child has a light jacket for chilly days.

Please be reminded that I will potty train children as families are ready to continue the process at home, just let me know.

♥Ms. Kelly

CLASSROOM D3

Happy Spring! Hopefully the weather cooperates as it has been so inconsistent. Let's put our coats away and enjoy the warm weather once again. We are so excited to start off a new month. Each month brings us new learning opportunities. Keep your eyes peeled for activities which allow us to develop our fine motor skills encouraging writing acquisition. We continue to practice these skills to prepare us for Pre-K and to encourage growth across all domains of development. We would like to say good bye to Ms. Yelliann, I hope she has success in her future endeavors.

Ms. Teasa

Pre-K

Welcome Spring! Good bye Winter! February brought us a successful Valentine's bash, thank you all for your generous contributions that made our party a hit.

March brings us another celebration as I'm sure you can guess. St. Patrick's Day gives us another opportunity to party, how lucky are we?

We have diligently been working on our fine motor skills and getting progressively better at writing. Ask us questions to find

out what we have been learning.

Ms. Ebony

VPK A-B

Last month we said goodbye to Emma Lee Gustkey and wish her luck in her new adventure. We are excited to welcome Cameron and Chanel to our class.

We learned a lot about keeping our teeth healthy when the dentist came and visited our class. We enjoyed our free care package from them too! We observed a raw egg turn into a rubber egg. The students thought it was cool that we could see the yolk and were able to squeeze the egg.

This month we will try our luck at growing some sunflowers. We will explore some earth worms and take a nature walk to see if we can spot any butterflies or bugs. We will discuss the first day of Spring and celebrate St. Patrick's day on the 17th

Ms. Tonja & Ms. Luz

VPK C

Leaving February behind, we look forward to March to prove to be a very fun and exciting month full of new learning experiences. This month we will learn about St. Patrick's Day and celebrate Dr. Seuss' birthday to include learning who he was as an author of children's books. We really look forward to learning so many new things.

We continue to prepare for our graduation, we are so excited to show you what we have learned.

Ms. Maylin

March Fun Facts:

On March 10, 1876, Alexander Graham Bell made the first-ever phone call. It was to his assistant and he said “Mr. Watson, come here. I want to see you.”

The Eiffel Tower was ascended for the first time. Eiffel himself led a group of government officials and members of the press to the top. The elevators were not in operation yet, so the journey was made on foot and took over an hour.

President John F. Kennedy founded the Peace Corps on March 1, 1961. It is a successful volunteer organization that has since sent at least 235,000 Americans abroad to developing countries to help with health care, education, and other human needs.

The popular social media outlet Twitter was launched on March 21, 2006, with the first tweet going out the same day. It was posted by the founder, Jack Dorsey, which read “just setting up my twttr.”

We have a fundraiser running from 3/14/22 through 3/28/22, and will share more information as time draws closers.
