Welcome Parents and Babies! At drop off times I love to acknowledge the babies and parents by saying their names and saying good morning to them. The parents and I talk about their babies night, whether they've slept well or any new information I need to know. We also discuss their child's mood at home, before arriving at school. Welcome to spring!

Spring is in the air, the flowers are blooming and so are our 1 year olds! Lots of our friends in the infant room are turning 1 this month so let's be sure to give Legend, Olivia, Felicity, and their parents a warm welcome to 1A/1B! As most of you know we have combined our separate classrooms into 1 and we have lots of exciting activities planned this month for our big bunch. As always please be sure to take Daily Sheets home! Happy Spring!

Hello Parents! As we are entering spring and getting back to warm weather we are going to have more outside activities, so please make sure to have them in appropriate shoes. National unicorn day is on April 9th so be sure to dress the little ones in anything Unicorn, glitter, or sparkly! We will be taking lots of pictures this day!

Hey Parents! I've loved getting to know your little ones over the last month and I've already seen so many positive changes! We have many birthdays this month so be sure to wish James, Jamari, and Jaynaliz a Happy 3rd Birthday! I will also be passing out Parent/Child surveys to get to know the kids and their families better. Thank you all for the warm welcome back to Wellington!

I can't wait for all the fun activities planned this month. In honor of spring we'd love to have a butterfly center in our classroom to observe the life cycle of a caterpillar into a butterfly. Your little ones are making leaps and strides in their interactions in class, so many have come out of their shell to participate in class! I'm so proud of my future VPK kids, they are right on track!

Hello Parents! Graduation is right around the corner so be sure to save the dates! I've enjoyed this years VPK class so much. Between the relationship I've developed with the kids and you, the parents, I don't want it to end! They are all ready for Kindergarten and we are going to miss them so much! Be sure to watch for more information on graduation.
