Dear Parents,

With April comes Easter! We will have our usual egg hunts for the kiddos !

We will be having Picture Days on April 11th and 14th. Be on the look-out for more information regarding Pictures.

We are so proud of our VPK classes and all the hard work they've been doing this year. Graduation is right around the corner, details to follow!

Please be reminded we post pictures each weekend to your child's class facebook page which shows weekly events in your child's class. Check it out if you haven't already!

## INFANTS A

Welcome to Spring! For the month of April we will entwine Easter into our daily experiences and learn about the holiday. We will spend time this month learning about animals through art experiences, which will include learning about their habitats. Animals make wonderful sounds which we will learn about through music and books.

♥ Ms. Ayla

### CLASSROOM 1A

April will be filled with a plethora of activities to get us learning about animals and all that encompasses them, their habitats, eating habits, and sleeping patters, boy I wish I was a bear I could use the sleep :)

Our St. Patrick's Day party was a success as I'm sure our Easter party will be.

Please send in a family photo that we can put on our new family tree. This allows the children to see your fabulous faces even when you are not here.

♥ Ms. Lisa & Ms. Anne

## CLASSROOM 2A

Spring has sprung and we're gearing up for "Animals in Action." Keep a look out for all the wonderful activities that we will experience to learn about animals.

Thank you to everyone for your contributions for our St. Patrick's Day party, we had such a blast. With Easter approaching, so does another party. Keep your eyes peeled for the sign up sheet.

♥Ms. Kelly, Ms..Ana, Ms.Yarely

hello  
APRIL

### CLASSROOM D3

I would like to take this opportunity to welcome Stella & Delaney into our wonderful atmosphere.

Our St. Patrick's Day party was a success. We thank everyone for their participation in making this happen.

We are excited and geared towards potty training and getting our friends ready for their next level. Please take some time at home keeping our excitement going.

We will focus this month on gross motor development, watch us soar.

♥ Ms. Niki

I would like to take this time to formally inform you that Ms. Niki, formerly of the VPK class, has happily accepted the position of Lead Teacher in the three year old class. We couldn't be happier and support her in her new endeavors as lead teacher.

The administration

### CLASSROOM PRE-K

Thank you for your contributions for our St. Patrick's Day party, we partied hard, it was awesome!

We have Easter coming, and of course will be celebrating.

Look around our class at our activities that we hang with pride. Ask us about what we learned while being creative.

We wish everyone well and let's have an awesome April!

♥ Ms. Ebony

# VPK AGB

We would like to say goodbye to our friend Chanel as she has moved to our North Cape location. We wish her good luck in her new school.

Please make sure to have your child here by 9, so they don't miss out on graduation practice. If you have not brought in a baby picture of your child please bring one in as soon as possible.

During March we enjoyed exploring potting soil, working with garden tools, and watching our flowers grow.

April is all about lions, and tigers, and bears, oh my! Following that we will put a focus on learning about different types of dinosaurs that existed in our world years ago.

Our Easter fun will include dying eggs and of course have an Easter egg hunt. What a great month ahead of us!

<3 Ms. Tonja and Ms.Luz

## VPK C

In March we had a nice birthday celebration for Dr. Seuss. The kids really enjoyed it. If you haven't looked yet, check out our facebook photo albums.

Hello April! We have a combination of Easter activities coming up mixed in with our typical lesson plans. We will have an opportunity to dye some eggs to take home, have an egg hunt, and even learn how to make a rubber egg.

We will discuss different types of animals that live in the jungle, zoo, farm and throw in some dinosaurs for good measure.

Please remember to work with your child on nightly assignments for homework as we are trying our best to prepare them for Kindergarten.

<3 Ms. Mayllin

[Did you know?:](#)

April is named for the Greek goddess of love, Aphrodite.

April also only had 29 days, but a 30<sup>th</sup> day was added when Julius Caesar established the Julian calendar.

**April Fool's Day:**

My favorite April Fool's prank is pretending I'm going to leave the couch.

**What's the difference between Thanksgiving and April 1?** Being thankful versus prankful.
