April finds our beautiful babies growing just like pretty spring flowers. We wish the best of luck to Vienna, Jaxson, and Kendric as they continue to grow and make new friends in their D1 classroom. We hope our babies and their families have a long wonderful Easter weekend, as we will be closed on Friday, April 15th. We will see everyone back on Monday, April 18th. Feel free to dress your littles in their Easter outfits on Monday! Please remember to label all bottles and lids with your child's first and last name. Also, please be sure to have a few extra weather appropriate changes of clothes on hand for your child.

April is going to be so much fun! We plan on exploring all the different animals around the world. We will be getting messy with our art projects. As always, we will continue to review our alphabet, colors and numbers. We have a lot of important dates to remember, so please check the calendar in front of the newsletter. Thanks again for being so amazing with bringing in supplies! We greatly appreciate it, please don't hesitate to send me a message on life cubby with any questions or concerns.

April is going to be so much fun! We're planning on going on lots of animal adventures! We will also be getting messy with lots of arts and crafts activities as well as learning about safari animals and the sounds they make. We are busy as bees working hard on our potty transition, please continue to enforce it at home so we can master it at school. We are still having a fun time learning and singing lots of nursery rhymes with our friends.

Thank you for all your cooperation and thank you for sharing your child with us!
