Hello Parents! This month we have a super fun theme, In the Age of Dinosaurs! We also will have lots of activities this month teaching your little ones how to ask for basic needs and wants through sign language. Being that Mother's Day is May 8th, keep an eye out for art keepsakes to be sent home!

- Ms. Devi & Ms. Amber

This month, get ready to hear your little dinos roar! We will be learning all kinds of dinosaur songs and dances. We will also be doing lots of crafts, the one we are looking most forward to is our "dino-mite" Mother's Day cards!

- Ms. ChiChi, Ms. Caitlin

Ready to hear what Roar-some activities we have planned this month! This dinosaur theme provides so many sensory activities that I know the 2's will love. As always we will have lots of crafts to send home! Also, be sure to check daily sheets sent home this month for anything your child may need.
