Dear Parents,

May is here! Which means VPK is coming to an end. Before that happens, we have a lot planned for the month!

This month we have Teacher Appreciation week! So please shower your teachers with compliments and let them know how truly appreciative you are of them!

This month we are also celebrating our lovely Mothers. Every classroom will be doing something special to show our moms how much we love them! Your little ones look up to you and want to say thank you for everything you do for them!

Please be reminded you can see activities presented on our Facebook page.

For those who celebrate Easter, I hope it was enjoyable and that your had a great time, we certainly enjoyed our egg hunt!

This month we will learn ways to get from one place to another through books we will read, songs we will sing, and music we will listen to.

May is all about learning about the various cultures within our community and learning how while we are all different we are all the same.

♥Ms. Ayla

Classroom 1A

Thank you for all the hard boiled egg donations, egg hunt donations, and party goodies. What a success our celebration was.

Please welcome Ms. Ana to the class while we continue our search for a full-time lead in the class. Your children get to have three wonderful teachers guiding your children through this stage of development.

We continue to learn about nurturing through caring for our plants and watching them grow. One day we will be great parents!

May brings us the opportunity to learn about our community and those who work and live in it. We are the same and yet we are different. Differences bring us opportunities for growth while we learn about what we each have to offer each other.

♥Ms. Lisa, Ms. Anne, Ms. Ana

CLASSROOM 2A

Thank you for your contributions to make our egg hunt and egg coloring festive as well as the yummy snacks for our party. Check out face book to see the fun the children had doing so.

After April comes May! This month our theme is Passport to Travel. We will be learning about Transportation, Multicultural exploration, Countries and customs and Foods around the world! Feel free to share your experiences with your child to help them learn more about you and what you have seen and done.

Bon Voyage! Arirvederci! Adios! Sayonara! Do Widzenia! Totsiens!

♥Ms. Kelly

VPK A and B

The children had fun with our Easter activities and as usual, our party was a success, thank you for your contributions, they are always appreciated.

The children loved predicting what would happen to the peep and jellybean candy with our science experiment. Ask them what happened.

This month we will focus on traveling around the world. We will talk about how we can travel and where we can go. We will talk about the vowels of the alphabet and continue working on blending letters to make words. We will also review addition and numbers 10—20

♥Ms. Tonja & Ms. Luz

VPK C

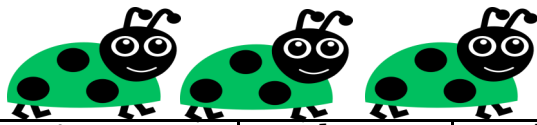

Welcome May! It is hard to believe that the school year is over in a few weeks. I would like to thank all of the parents for giving me the opportunity to be your child's teacher this past year. It truly will be bittersweet and I am so proud for their accomplishments. They all worked so hard and made progress and growth over the past year. I look forward to finishing strong and having fun with the kiddos!

Please be reminded that VPK Graduation is 6/3/22.

Over the summer be reminded to continuously read to and with your child to keep their language and literacy development going strong. Studies show that too much screen time has adverse affects on children's development. While screen time keeps peace in the house, it does little else to encourage development for young children.

♥Ms. Maylin

THANKS

for **ALL** that you did today in your classroom...

For making a million little split second

DECISIONS for the benefit of your students.

For putting your own needs on hold and keeping them the **FOCUS** of your day.

For **PLANNING** for them long before today ever got rolling.

For **CHANGING** those plans because they didn't fit someone who needed a little extra.

For smiling, **LAUGHING WITH THEM** and reassuring their efforts, trials and mistakes.

For placing your hand on a shoulder that was **EXACTLY** what someone needed.

For getting down on the physical level of your students because **IT MATTERS**.

For thinking of a new way to reach someone who wasn't getting it.

You matter.

Yes — **YOU MATTER.**
