Infants

Happy Summer to all my little babies! We have gotten some new friends in our class and I want to welcome them, I am so happy to have new babies that I can love on! As we approach the summer fun, we will engage in some crafts that involve Sea Animals and listening to ocean sounds and will continue to engage in developmental play.

- Mrs. Devi & Ms. Amber

1's

It's finally summer! We have loved watching your kiddos grow this school year! We can't wait for the fun sea life arts and crafts this month, as well as Father's Day. We have lots of birthdays this month and it will be bittersweet to see our little ones move up to our 2 year old room. As the heat increases this summer remember to apply sunscreen and keep these babies hydrated. Here's to a safe and fun summer!

- Ms. ChiChi, Ms. Caitlin, & Ms. Victoria

2's

This month's theme is all about the Sun, Sea & Sand. We will learn all about the beach, Sea Animals, and how to have fun in the sun! We will learn to count by 10's and learn all about the octagon shape and review the letters O & Y. Lets get ready to have a fun filled Summer!!

- Ms. JJ

3A

Welcome to June & our Adventure into the Sea! We'll explore and learn about the Beach, Sea Animals and Fun in the Sun. Let's get ready for lots of colorful crafts with sea animals and weekly fun with Kona Ice!

-Ms. Tammy

4's/Schoolers

The 4's & Schoolers are ready to make a splash in the month of June! We'll be doing activities based around the beach, sea animals, and more. I'd also like all of our parents and students to give a warm welcome to our new teacher Mr. Slayte. Be sure keep your eyes peeled for field trips to be announced this summer!

- Ms. Ayana & Mr. Slayte
