Dear Parents,

It is officially summer break and we are ready for all that comes with summertime! Water days and ices to keep us cool!

We will begin water fun while on the playground. Please be sure to send your child with appropriate water gear. You will receive notification regarding your child's classes chosen day /s

Please apply sunscreen on your child before arriving at school and dress your child appropriately for the weather.

This month's theme is "Sand, Sea, and Sun." Be sure to check the classes posted plan to see each weeks activities that coincide with the theme.

♥Wellington Family

## INFANTS A

In May we said goodbye to Blake as she moved up to the one year old class. I hope all mother figures had an amazing 1st Mother's Day!

June brings us celebrations for Father's Day and a birthday. Elaina turns one this month!

This month we will focus our learning on the beach and ocean through songs, books, and crafts.

♥ Ms. Ayla

### CLASSROOM 1A

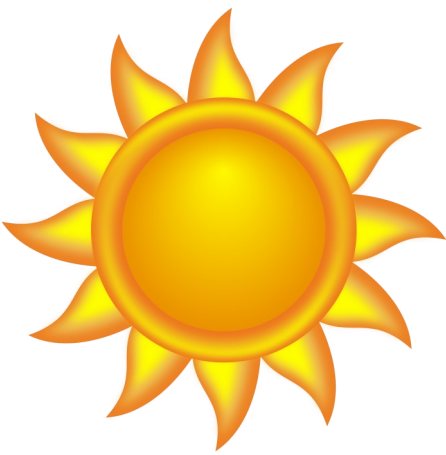

With my first month under my belt I would like to say it has been a pleasure getting to know your children.

Our Mother's Day event was a success and look forward to our Father's Day being just as successful.

Thank you for your support during Teacher Appreciation week, it is always nice to be recognized. Please remember to keep your eyes peeled for supply needs posted in Life Cubby to ensure we have all we need to properly care for your child.

Please remember to take all art work from your child's folder so we have space for more. As the children's skills grow we will have more and more activities available to encourage their development. Until next month.....

♥ Ms. Brianna

## CLASSROOM 2A

Thank you to all the parents for showing their appreciation during Teacher Appreciation week. Our continuous partnership between home and school brings consistency for your child.

Please welcome Ms. Kris to our class, she has been such a great support for all of us.

Our Mother's Day event was a success, thank you for your participation. We love to see the parents enjoy time in the class with their children.

We are entering our Summer Month of June! Sand, Sea, and Sun is our theme for this month. We will talk and learn about the beach, sea animals, and sunny days.

♥Ms. Kelly and Ms. Kris

## CLASSROOM D3

We would like to welcome Aubree and Sebastian to our class. Thank you to all the parents for showing their appreciation during Teacher appreciation week and a special thank you to Jayden's grandparents for their muffin donation, I'm very grateful :)

Our Muffins with Mommy's was a huge success thank you for making this a wonderful time for all of us.

This month we will be working on our alphabet recognition starting with the basic stick letters of L, T, E, I, K, etc. From there we will move on to other letters. When teaching children letters it is best to start with letters that when we write go in the same direction for easier recognition and fine motor movement, then working on letters as written in sequence in the alphabet.

I would like to thank the parents for their huge support with potty training. We are definitely on the right track!

♥ Ms. Niki

Classroom Pre-K

Our Mother's Day event was wonderful and we loved having the moms visit our class. I'm sure our Father's Day event will be just as successful.

Thank you for your show of appreciation during Teacher Appreciation week. I love that we work as a team! When we work together we get so much accomplished, thank you for your partnership!

Welcome Summer! This month our theme is Sand, Sea and Sun. We'll be learning about the beach, sea animals and other fun in the sun activities.

<3 Ms. Ebony

## Upcoming VPK and Alumni

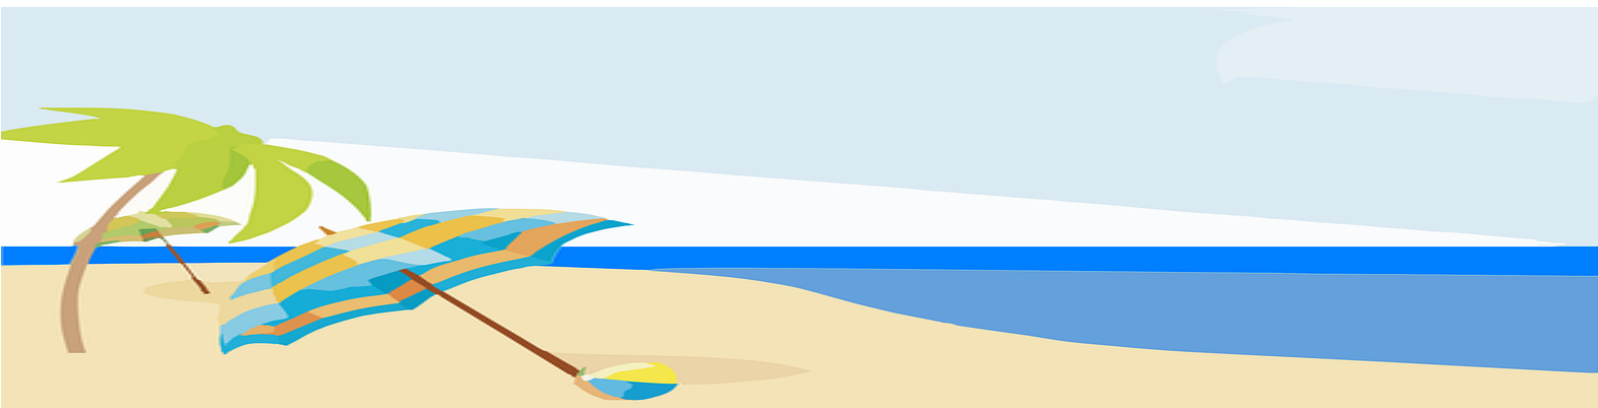

We hope all mothers had a wonderful mother's day. It was nice to see all the mothers during our mothers day celebration. The children were excited to see their mothers and hand out the presents they made, by hand, to them.

Graduation was a success! Thank you for joining us in the celebration, the students did an awesome job at the ceremony. It's hard to believe our school year has ended. What a fantastic year it was. We say goodbye to some of our friends and wish them well in kindergarten. We will also welcome new friends into our class as well with returning after schoolers and upcoming VPK students. What a great mix we will have.

Please keep an eye out for information for our upcoming Father's Day event. June begins the summer fun so keep your eyes peeled for information on upcoming summer events.

Be reminded that the summer sun is brutal so be sure to apply sunblock to your child before coming to school each morning. We will have water days and will keep you informed as to the day of the week to ensure you have all required supplies.

# *My Dad*

*My father is a man like no other. He gave me life, nurtured me, taught me, dressed me, fought for me, held me, shouted at me, kissed me, but most importantly loved me unconditionally.*

*There are not enough words I can say to describe just how important my father was to me, and what a powerful influence he continues to be..*

*I Love You Dad.*
