## **KONA ICE TRUCK**

Kona Ice Truck will continue to be here on Fridays if we have enough kids to participate. They no longer offer the punch cards like before. You will need to send in the \$3 the week before the truck is to arrive in order to participate.

## **ENROLLMENT UPDATE**

Please be sure to notify the administrative office if you are not planning to be with us for the next school year. **Remember, a two weeks notice is required for withdrawal.** Please also advise as to whether or not your child will be part of our Before/After School Age program.

**HAPPY INDEPENDENCE DAY!!!**

## \*\*\*\*\*Classroom News\*\*\*\*\*

### Infants

Happy July!! This month our theme is 3-2-1 Blast Off! Books will be read to the kids about the Planets, Rockets, Stars, & Astronauts. We will focus on letters M-Z and numbers 6-10. Our colors are Red, White, and Blue. We will use these colors to make an American Flag. Our shapes are crescent and star and we will be looking at pictures of these shapes along with playing with toys that involve these colors and shapes. And Sounds that resemble twinkling stars and the outside night time sky, we will be listening too also.

Mrs. Devi

### 1A/B

For this month, our class will be doing crafts related to July 4th. We will be making red, white & blue hand prints and turning them into fireworks. We will be reading books about stars and planets. We will be looking at lots of videos about the moon and Astronauts. We will also be doing many counting activities such as counting the blue and red stars.

Miss Caitlin  
And  
Miss China

### 2A

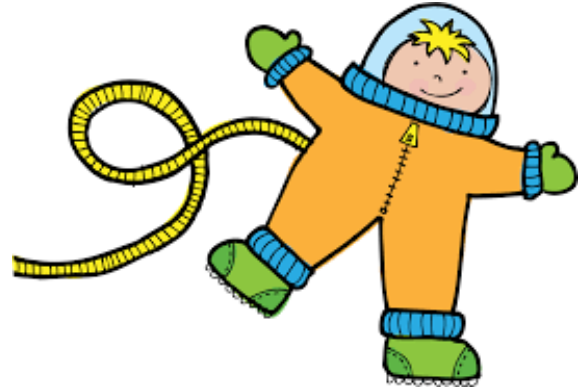

Our theme this month is 3-2-1 Blast Off! We'll discuss planets, the moon, stars, and rockets. We will pretend to blast off in space, and have some make believe fun pretending to be Astronauts traveling to Outer Space. We will also review the letters M-Z and numbers 6-10. Our colors this month are Red, White, and Blue and our shapes are Crescent & Star.

Ms. JJ

### 3A

We are blasting off into Space for the month of July, as we explore the Planets, Stars, and Astronauts.

Our shapes will represent the night sky with a crescent and stars. Our colors are Red, White, & Blue for our celebration of Independence Day of July 4th! We will be reviewing letters M-Z & counting by 5's! We're looking forward to a month that's Out of this World!

What's that in the sky? Do you see it? Is it a bird? A plane? A balloon? No! It's the planets, rockets, the stars, and Astronauts! This month, we are blasting off into July! July is going to be filled with lots of fun in the sun. We are still reviewing our letters before the new school year. But we are focusing our attention on counting our numbers by 5's. Also, expect lots of art projects that are going to be made and dedicated to the stars and moon in the sky, as well as the colors Red, White, and Blue. Remember, it is getting hotter outside so please dress accordingly :)

Miss Ayana  
And  
Ms. Bea

### 4B/Schoolers

July is here!! The month of July is going to be out of this world for the 4's and schoolers. We can't wait to blast off as we learn about Outer Space and Astronauts. We will be focusing on the colors Red, White & Blue for the 4th of July. We will also be doing activities celebrating Independence Day.

Mr. Slayte
