Dates to remember!

July 4th – Closed-Happy 4th of July!!

July 29th– Closed-Teacher Duty Day

Dear Parents,

It is hard to believe it is only half way through summer with this heat! Water days are such a great relief.

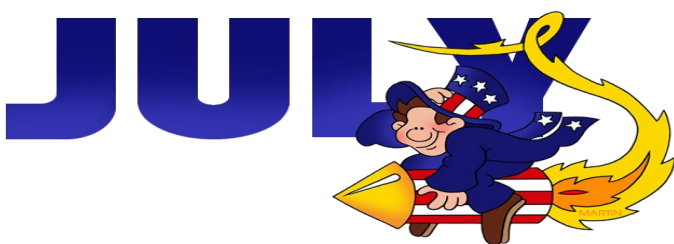

Don't forget we will be **closed Monday July 4th** in honor of Independence Day. Please stay safe and have fun with your family and friends!

Just a few reminders for your child's classroom, toys from home need to please stay at home. **Please label ALL items** brought into the school. Wellington is not responsible for lost or missing items. Please be sure your child has spare clothing in his / her bin and that you send in a cup each morning, labeled of course, and take it home each night to be cleaned.

Be sure to check out the class curriculum themes posted outside of your child's class to see what they will be learning about in the month of July.

Have a great holiday, until next month...

♥ Wellington Family

Happy Birthday to all of our friends celebrating this month!

happy
4th of
July

INFANTS A

This month we will be celebrating The 4th of July and learning why we celebrate it.

I hope all of our father figures enjoyed Father's Day.

In correlation with our theme of the month we will be focusing on outer space and learning all about what lies beyond the earth through music and books.

Now that all of the babies are securely sitting up we have been going on daily walks outside and enjoying the fresh air and sunlight. Until next month stay safe.

♥ Ms. Ayla

CLASSROOM 1A

We would like to welcome Theo Turner and Aiden Tufano to our class. Wow, two new classmates. We would also like to say goodbye and Happy Birthday to Paisley who will be turning 2 on the 16th of this month and moving up to the 2 year old class.

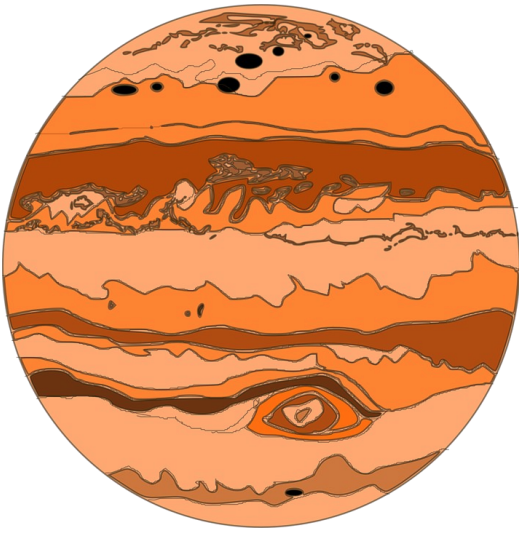

We hope all our Dad's enjoyed their special day.

Keep your eyes open for this month's activities that will focus on outer space including art, songs, and books to bring our topic to life.

♥ Ms. Brianna

CLASSROOM 2A

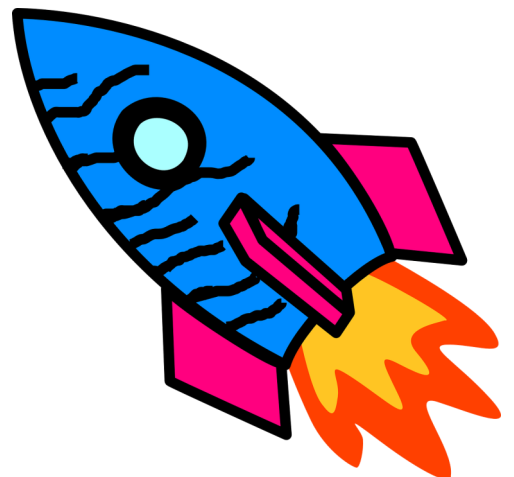

With summer in full swing, please be reminded to apply sunblock to your child each morning before drop off. Please also be sure to send in water day supplies so your child can fully participate in our water festivities.

We hope all of our Dad's enjoyed their special day. We certainly enjoyed seeing the dad's for our donuts with dad event.

We hope that your 4th of July celebration was fun filled and of course safe.

Keep your eyes peeled for the wonderful activities your child will participate in and be sure to empty your child's class folder and bring all their fabulous art work home to display.

♥Ms. Kelly

CLASSROOM D3

Thank you to all of our dad's who supported donuts with Dad. It was a huge success and I am grateful for the support.

We are starting the month of July with a bang. I personally would like to welcome all of our new friends and send our farewell to our friends who moved up to Ms. E's class. We wish you the best of luck!

This month we will be working on exploring our new centers and learning new letters and numbers. Please bring in pull up as we continue focusing on potty training. Please also be sure your child has their water day supplies so he / she can fully participate in water day!

As always, thank you for all you do and welcome to D3 :)

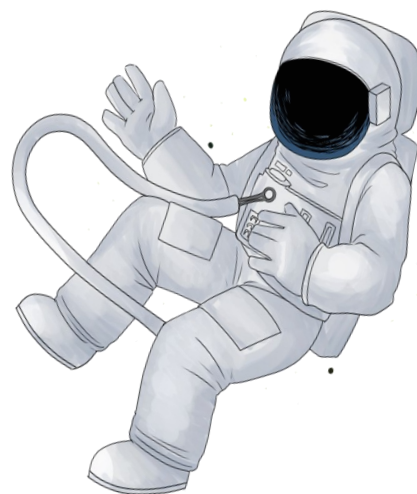

♥ Ms. Niki

CLASSROOM PRE-K

3...2...1! It's time to shoot into July! We have great activities planned for this month to correlate to our curriculum theme. Take a peek on our hallway class bulletin board to see both the themes posted and the weekly plan to see all the exciting ways we will learn about space and what it has to offer us scientifically.

Thank you for your participation in our donuts for dad day, what fun the children had.

♥Ms. Ebony

Upcoming VPK and Alumni

Wow, we cannot believe summer is already half over! This heat has really been something else this year.

For the month of July we have many different activities planned. As we prepare to enter July with our theme 3...2...1... BLAST OFF, we will be learning about the planets, stars, and astronauts. Reminder, we are closed on July 4th, and will intertwine the holiday in our learning strategies to teach the children what it means to have Independence. Enjoy your celebration in a fun and safe way.

We would like to welcome the students from Pre-K that moved up and will be part of our VPK program this fall. We look forward to getting to know each and everyone of you. I'm sure we will have the best year ever!

Please be sure your child has his / her water day supplies to be able to fully participate in this fun in the sun activity each week.

Please also remember to apply sun block to your child at home, before drop off.

♥Ms. Maylin, Ms. Tonja, Ms. Luz

Wellington Academy
Fort Myers
School Calendar 2022

July 4, 2022.....Wellington Closed- Independence Day
July 29, 2022.....Wellington Closed Teacher in-service Day

Dates and times are subject to change

Next month's newsletter will include the upcoming year's calendar to allow you to plan in advance for days the center is closed.

Did You Know?

July is the seventh month of the year in both the Julian and Gregorian calendars. It was named by the Roman Senate in honor of Roman general Julius Cæsar because it was his birth month.

July 18: Nelson Mandela International Day. Nelson Mandela International Day, or Mandela Day, was created in 2009 by the United Nations and first celebrated in 2010. It's a day to honor the legacy of Nelson Mandela and his values through volunteering and community service.

July 01: American Zoo Day

American Zoo Day commemorates the grand opening of Philadelphia Zoo, America's first zoo, on July 1, 1874.

The charter establishing the Zoological Society of Philadelphia was signed in 1859, but due to the Civil War, it was another 15 years before the zoo opened.

That first year there were 813 animals and over 228,000 visitors. Today, there are over 1,300 animals—many of them rare and endangered—and there are more than 1.2 million visitors annually.

July 03: Plastic Bag Free Day

Plastic Bag Free Day, sometimes referred to as International Plastic Bag Free Day, is a global initiative aimed at eliminating the use of single-use plastic bags around the world. Created in 2011* by Zero Waste Europe, it's now part of a larger Break Free From Plastic campaign.

According to Zero Waste Europe:

- Depending on the type of plastic, it takes between 100 to 500 years for a plastic bag to disintegrate.
- 1 million plastic bags are used around the world every minute.
- 80% of marine litter is plastic.

Happy Independence Day
