INFANTS A

This month we are welcoming Finley into our class as well as welcoming Michael back from his summer off.

I feel like we are starting a new school year with new students as we also welcomed Penelope into our class and our oldest cherub Elaina, moved up to the one year old class. In essence, we do have a new group of infants that are around the same age allowing them the opportunity to grow and learn together over the next few years.

With the new school year starting I would like to take this time to learn all about our family's. With that said please send in a family photo for me to display in the classroom.

Please be sure to look at our class weekly plan of activities that is posted outside of the classroom each week. As your child grows and is able to participate I do wonderful activities to encourage skills across all domains, including daily activities such as reading and singing. Until next month....

CLASSROOM 1A MS. BRIANNA

I would like to welcome Theo and Aiden to our class and center. We hope you enjoy it as much as we do. I would also like to welcome Elaina who moved up from our infant class. Yeah she is walking and she is all ours!

The month of august brings us curriculum themes that focus on back to school.

Please be reminded that your child's cup should be labeled each day with your child's first and last name. This is a DCF requirement so please assist us in remaining in compliance with child care state regulations.

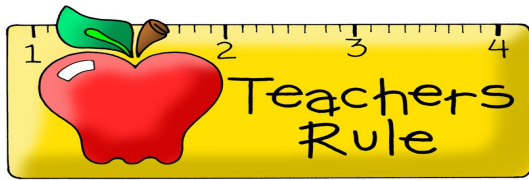

Please be sure to have two sets of clothing in your child's cubby to ensure we can properly care for him / her in times of potty accidents and/or water table snafoo's.

CLASSROOM 2A MS. KELLY

Do you believe it is already August? The summer is flying by and before you know it, we will be seeing school buses again.

Our summer thus far has included fabulous activities learning about space and all it entails. August will bring us themes that revolve around back to school. Be sure to peek at our weekly plan of activities that I post each week outside of the classroom. This information allows you to discuss with your child what they do during their day. Feel free to take a picture to be able to discuss activities with your child to see what they are retaining and regurgitating. Its great to hear them talk about the days events.

CLASSROOM D3 MS. NIKI

A heart felt goodbye to all of my friends who moved up to Pre-K, you will surely be missed. A huge welcome to all of our friends from 2A: Hudson, Gregory & Payton, Welcome!

I hope everyone had a wonderful & safe 4th of July

This month we welcome our new friends and starting our new school year with a bang!

Please bring in a 3 ring / inch binder. We will be starting homework 8/10/22 ;)

Please send your children with pull-ups as we continue our potty training which has been a huge success!

Please remember to check your child's folder & cubby for their daily reports as well as art work & dirty laundry!

Thank you for our smooth transition, we look forward to a wonderful time in D3

We have holiday events right around the corner.....we will keep you posted.....until next month.....

back to school

Pre-K Ms. Ebony a.k.a. Ms. E

I can't believe it is August. Where did the summer go? I would like to take the time to say goodbye and good luck to the entire class that moved up to VPK. What adventures they will have. This sad goodbye also means a happy hello to all of the new students in our class. It seems like Ms. Niki's whole class came to our class. Welcome to all and I'm sure we will have a great year. We have been taking the time to get to know each other and have wonderful activities coming up that revolve around the welcome back to school theme.

We will put a focus on teaching the children conflict resolution and practicing social skills that will allow the group to function as a cohesive team. It's exciting.....

VPK MS. TONJA, MS. LUZ, MS. MAYLIN

It's time to say goodbye to some of our friends who are heading to Kindergarten. Best of luck in your new school. We will miss you. As some friends move on, we welcome our new friends to VPK. This year will be filled with lots of exciting adventures. The beginning of the month we will focus on getting to know one another, the classroom rules, and class schedule. Please see the wall outside the class door each week, to see our weekly plan of activities, monthly themes, and what letter, color, shape, and number we will be working on.

The children will be introduced to rotating centers which will include science, math, language, and art, along with fun learning centers like housekeeping, blocks, and library. If you were not here for VPK orientation please be sure you received the paperwork handed out .
