Nursery

August is here and with it comes the new school year!

Let's learn new songs and play some more because everything is better when we are having fun.

Let us also highlight the accomplishments of our sweet babies here in the nursery. Mia is sitting up independently and Graham is pulling himself to standing. All while Connor and Mia have moved on to eating baby food!

We would also like to wish Wyatt a Happy 1st Birthday. We will continue to stop in and say hello from time to time as we always miss our littles as they move on up.

Don't forget to keep your umbrellas handy in this changing weather, as well as be sure to have a few extra changes of clothes on hand for your little one.

Wow July was a busy month! August is a time for Back to School which means preparing our little ones for kindergarten.

We would like to welcome all our new VPK students!

We will start the school year by focusing on getting to know each other. We will start working on letters Aa - Dd and numbers 0, 1 and 2 This will

include letter and number recognition.

Also a few reminders for the year, we ask that no outside toys be brought into the classroom as it causes a distraction during learning time.

Each child that is staying after VPK will need a 2 inch thick sleep mat, as well as a sheet and blanket. They will be sent home every Friday to be washed and returned on Monday.

Please check your child's file folder for any papers that are to go home. Please label all belongings. It's going to be a great month and an amazing year!

Thank you for sharing your child with us!
