Shapes: Oval, Square**

## OCTOBER

5 NO VPK  
14 CLOSED - Inservice-Day  
31 Happy Halloween

## FALL FESTIVAL

Wellington Academy will celebrate the autumn months with our Annual Fall Festival which will be held on Wednesday, October 28th. This is an all day celebration with activities throughout the school day.

Instead of our usual larger celebration, our classrooms will have individual smaller celebrations within their own classrooms so that we can maintain our lower level of exposure.

Because we cannot invite all of our families to join us this year we would love it if you would donate to your child's class for this day. Our teachers will put together wish lists that we will put out closer to the celebration.

Director

Autumn whispered  
To the wind,  
"I fall; but always rise again."

- Angie Weiland-Crosby

## Birthday Friends!!!

Catalina Laracuenta: 10-2-18

Arcadius Laracuenta : 10-5-19

Desiree Owens: 10-13-20

### N1/1A

This month our theme is Nature. We will be taking buggy nature rides. Listening to the birds and other nature sounds and watching the butterflies fly around. We will read books showing how leaves change colors. We will read about Halloween and pumpkins and will have a fall festival with our class. We will focus on letters B and C and numbers 4. Our colors are orange and black and we work on color recognition. Our shapes are oval and square so we will look at shapes and work on identifying them.  
Ms. Devi

*It's time to celebrate everything that's great about October and our season changing to fall. As we learn about the weather changing, we will learn about how nature changes with it. Fall Festivals, pumpkins, falling leaves and spooky black cats. This is a Boo-tiful time of the year. We will be learning about ovals and squares; 4; B and C October colors will be orange and black*

Ms. BreAnna

Hello Families!

This month we will be learning about nature! We will talk about leaves and how they change with the seasons and the weather. We will also talk about pumpkins and do some pumpkin art! Our letters are B & C and our number is 4. The colors we will be focusing on are orange, and black and our shapes are oval and square. We will also be having a Fall classroom celebration .

- Ms. JJ

3A

Welcome to Fall, Friends and Family! This time of year we have our class routine down and we are already seeing lots of learning and growing! As we enter the season full of bright orange & black colors, we will be celebrating this season with nature walks, growing individual class plants, and learning about pumpkins. Our letters this month are B and C and number is 4. Our crafts will include our colors orange and black, while we make "spooky" shape monsters with the shapes oval and square

Cheers to Fall!  
Ms. Estelle  
Ms. Z

Happy Fall Ya'll!

Time sure is going by super fast!! Make sure when you drop off you peak through the doors to see all our Fall decorations displayed around our common area! We are so happy to be able to continue serving our families even through the hard times we have faced! Thank you for continuing to choose us! We appreciate you all so much!

Jayden
