Happy Holidays!! This is my favorite time of the year! November started off with teaching the children family traditions. They also learned about the first feast held by the Pilgrims and Native Americans. The children enjoyed a feast of their own and loved all the delicious food!

It's hard to believe 2022 is coming to an end. This month is packed with fun activities and events. There is a flyer attached to this newsletter that will keep you updated with our upcoming events. We hope you all enjoy all that we have coming up!

This month our curriculum is focused on "Celebrations around the world." We will learn about many cultures and their celebrations for the holidays. We welcome our families to share their traditions, and customs.

Please refer to our monthly calendar for closure dates as well as important events.

We wish you all the happiest of Holidays, from our family to yours!!!
